I loko hoʻi o ka pānaʻi ʻana i ke aloha, E Welo! E Welo! E Welo!

As Pelekikena of the Association of Hawaiian Civic Clubs, I welcome all delegates, alternates, members and guests to the 61st annual convention and anniversary of the Association of Hawaiian Civic Clubs. As early as April, in the consideration of whether to hold a convention this year; and even withstanding all uncertainties and vocalized doubt and fears from some, as we moved closer and closer, I knew in nāʻau that this convention must happen! In the eight months of hunkering down, deliberating and meeting over Zoom and other platforms, we all have learned much. The trick really was to find the “silver lining” in heavy clouds almost smothering us. This year’s theme, “ʻAuʻa ʻia e ka lāhui...Welo!” is a poignant charge, calling for us a nation or a people to holdfast on the unification and claim of that which is ours as a people, as a kapu or as a race; allowing our heritage to live! “Welo!” literally meaning to flutter as a flag in the wind, gives the assumption that in order to welo, we must hold ourselves high with dignity and own our expected lawena. The same held by our founder Prince Kūhiō!

I spent much time over the months studying Prince Kūhiō during the years 1918-1920. I chose these years on which to focus, not just because this time-period takes us back 100 years, but I marveled at the excellence and drive of our Prince. Between 1918 and 1920, the world was plagued by the Spanish flu; a pandemic, that by October 1918 (when the flu reached Hawaiʻi) it had already claimed 30 million lives world-wide (Some estimates listed 50 million). I would dare to say things were more precarious than today’s 1.26 million + lives lost worldwide. Although every life matters, I look at the 1918 statistics and studied what critical impacts Prince Kūhiō led. I realized that at the on-set of the Spanish flu in Hawaiʻi in October of 1918, Prince Kūhiō did not cease working. In fact, the Prince, working with the ʻAha Hui Puʻuhonua no nā Hawaiʻi was planning the opening of the new “Society” called The Hawaiian Civic Club; calling its first strategic meeting on November 26, 1918 to create a slate of officers and discuss its mission. Prince Kūhiō was home in Hawaiʻi as the US Congress was on recess in November 1918 (Congress took only a one-month recess amid the pandemic). In no way am I suggesting that we carelessly ignore the danger of this current pandemic, but am marveling at Prince Kūhiō’s record, he did not allow a pandemic to create a barrier to cease his work. Kūhiō instead implored and optimized all opportunities and resources to execute his work culminating in the passage of the Hawaiian Homes Act in 1920 (100 years ago). It was this drive of the Prince, who had no vote in congress, who could only, and would indeed implement his influence as one of only a few minorities (if not, the only) in the Congress, that reaffirms my manaʻo that to cancel this year’s convention or to not consider substantive resolutions, would have been a dishonor to our Prince, to our lāhui and to our ability to Welo!

Let us ʻauamo pono our kuleana at this convention. Take care of the work but, love and take care of each other and continue to stand in the reflection of our kūpuna, and WELO!

Me Ke Aloha!
Hailama V.K.K. Farden, 18th Pelekikena of the AHCC
Welina mai kākou,

Welcome to the 61st annual convention of the Association of Hawaiian Civic Clubs. On behalf of our Board of Trustees and the Kamehameha Schools ‘ohana, I want to express how deeply honored we are to attend and participate in this year’s meeting.

It seems not too long ago, we gathered in Lahaina to celebrate six decades of service and fellowship. We could not have known how much the world would change in just a few months, or that this year we would greet each other across screens and a virtual shaka would have to do.

However, this year’s convention, brings together more than 60 clubs from across the pae ‘āina and demonstrates we are resilient, adaptable and united. That fact is reflected clearly in this year’s theme – “‘Au’a ‘ia e ka Lāhui – Welo!” (Our nation united, our heritage lives!)

I see our ability to ho‘omau in the spirit of the haumāna we are privileged to serve through our campuses and preschools. Despite the many challenges we face today, they have retained their curiosity, excitement and eagerness to learn. Our keiki and ‘ōpio truly embody the vision of our beloved founder, Princess Bernice Pauahi Bishop, who believed education would light the way to a brighter future for her people.

Finally, I want to extend a sincere mahalo to the many people who made this year’s convention possible and who’ve dedicated their time to keep the tradition and mission of civic clubs alive. The challenges of the past year serve as a reminder that these gatherings are about more than seeing old friends, building new relationships and sharing ideas. They are part of the civic kuleana that bind us together, to affect meaningful change and to keep our lāhui strong.

E hui pū kākou. I mua!

Born and raised in Waikīkī, John De Fries grew up surrounded by elders within his family who were steeped in the traditional practices of the Hawaiian culture. At the same time, Waikīkī Beach was well on its way to becoming a global visitor destination. This childhood setting embedded in him a life-long awareness and respect for the symbiotic relationships that exist between community and culture, nature and commerce.

John has over 40 years of experience in one of Hawaiʻi’s most cherished traditions that has become its largest industry – hospitality. His experience has lead him to serve the community as a thought leader in economic development, sustainable living, human rights, and embracing native intelligence. In recognition of his leadership and vision, John was appointed President and CEO of the Hawaiʻi Tourism Authority in September 2020, leading Hawaiʻi’s visitor industry and community through the post-pandemic economic recovery and reinvention.

John is the first Native Hawaiian and the first neighbor island resident appointed as HTA’s President and CEO. For the past three decades, John and his wife Ginny have lived in Kona on Hawaiʻi Island.

2020 has been an unusual year as we end ourselves "staying at home" in response to ka ma‘i ikiiki ‘owaikū, Covid-19. We have begun zoom meetings with intent to continue using this technology to meet, check on each other and try to maintain a sense of normalcy for our hui and our community. Some of our kupuna have difficulty adapting to the new technology, so we are working to provide computer access and training. We are each doing what is necessary to support our ‘ohana, including becoming at-home, on-line teaching assistants for keiki and mo‘opuna and caregivers for kupuna, working and supporting our láhui from home. One of our members has made over 800 "Masks of Aloha" face masks for family and friends around the world. Our club is a signator and supporter of the ‘Āina Aloha Economic Futures Declaration and initiative. Our condolences are sent to those families who have lost loved ones this year and who cannot gather to mourn.

Hawaiian Civic Club of Hilo sends our heartfelt Aloha to all Hawaiian Civic Club members and their ‘ohana during these difficult times. Let's continue to wear our masks and be kind to each other.

Six members attended convention on Maui last year and were active with the Registration Committee as our member, Evelani Hirano, chaired the committee.

On 12/8/19 we held our last meeting of the year and enjoyed our holiday paʻina. We the made 50 hygiene kits filled with toiletries members donated from hotel stays. Our club purchased wash cloths, tooth brushes and toothpaste to include in the kits. 25 kits were donated to the Hamakua Baptist Mission and 25 were donated to the Student Government Association of the Laupahoehoe Community/Public Charter School (LCPCS) for distribution to those in need.

Our scheduled meeting in Laupahoehoe on January 12th was cancelled due to a storm. Kilohana Hirano and Lucille Chung made use of the scheduled time to work in Hilo on our Laupahoehoe Signage Project. We worked on the project once again on February 9th with the assistance of Eva Hirano, Nani Langridge and Kim Kalama. Our last “in-person” meeting of the year was held on March 8th due to COVID-19.

Kilohana, Lucille, Kawaihona Poy and Lisa Barton continued to work on the project via email. We completed and installed the last three panels of the project on June 18th. We would like to acknowledge Kilohana’s patience and diligence in the organization of and moving pictures around, editing, plus all the little details to finally arrive at our completed panels.

We awarded one scholarship to Jaylen Tray L. Salboro, a 2020 graduate from LCPCS to attend Hawai‘i Community College to pursue a degree in Fire Science.

We will be partnering with the Laupahoehoe Train Museum (LTM) who received a portion of a CARES ACT grant that Vibrant Hawai‘i was awarded to host a Resilience Hub in Laupahoehoe to provide family meals and food bags once a week to the community from September through December 2020. LTM will work with LCPCS students with computers from the same grant at the same time.

South Kohala is a small club serving Kawaihae, Puako, and Waikaloa. Our membership is very small but we continue with our efforts and goals of the AHCC and the Aloha of the Hawaii Council, Moku o Keawe. The Covid 19 pandemic has had a severe impact on our club activities and fundraisers.

We continue to work on the protection of Hawaiian Historic Sites. Pelekikane Bay (Heiau for Kamehameha) that has been covered with debris and mud. Pohakaloa Training, EIS preparing to retain state lease.

Our very best wishes to The Association of Hawaiian Civic Clubs for putting this new Viral Convention together. `Au`a`a ia e ka lahui ...welo!. Our nation united....our heritage lives.

Supported community meal programs located in rural areas during the “lock downs” due to the COVID-19 pandemic.
Aloha Mai kakou nā pua o Kūhiō:

What a joy to “gather” once again!! We have missed you, our ‘Ahahui ‘ohana over these many months.

How we do civic club has certainly had to modify to accommodate the pandemic, but I believe that the connections, the aloha, and the intent of our work remains unchanged. For several months, the primary needs related to food, supplies and survival, especially for our kupuna, and those living paycheck to paycheck, have been at the forefront. We circulated information regarding food distribution locations, times and places to members. At times we helped to kokua where possible.

Meetings in person ceased so much of civic club business. Nevertheless, there was a feeling in Waimea that time had slowed and that we were once again a small town somewhere back in the 50’s or 60’s. People are focused on neighbors, ‘ohana and how everyone is managing.

Just prior to the New Year, the club was granted its 501(c)(3) status as a non-profit organization.

The email net, `upena, has been a lifeline for keeping our membership connected. We have been fortunate during this time to have access to many internet-based programs on culture (mahalo to Kanae‘okana and Malia Nobriga-Olivera), Hawaiian language, gardening, food preservation, and the like. We keep the membership informed with goings on as things come up.

The board deals with action items via email but holds Zoom meetings as needed. In a recent Zoom board meeting, we discussed the RIMPAC exercises and the Kohala Coast Concrete and Precast application to dump industrial waste in the waters off Kawaihae. We are requesting records regarding their lease with DHHL as well as their environmental protection practices. While there has been a strong tendency to hunker down and deal with the basics of survival, we cannot forget that the world is still functioning and we have a kuleana to pay attention and take action to kako‘o our lahui and our `aina. Our focus has narrowed to the matters impacting local and surrounding areas.

As the convention nears, we will be working on how best to safely engage as many members as possible via computers. The majority of members have not attended conventions in the past so the experience will be very important for training and building future interest. It will be an excellent opportunity to see the association in action. We will disseminate the convention resolutions and hold a zoom caucus to discuss and prepare our delegates, alternates and membership. We will look at renting laptops to allow more members to attend the convention virtually.

We are looking forward to holding a golf tournament in October if conditions support holding the event. The 1st annual golf tournament scholarship fundraiser, though small, was a success that brought in funds for scholarships. We also have estate items that the club is looking to sell on Ebay. We have held very successful estate sales in the past, but limiting access to 10 people at a time with social distancing and hand sanitizing stations is not wise at this time. Additionally, many in the Waimea area have lost their jobs so garage sales and estate sales are not very prevalent.

It is likely, as long as the pandemic continues, that the club may move to quarterly meetings via Zoom. We will continue to stay in touch via email, bringing events and issues to the board and members as they arise. We will ho‘omau.

Me ke aloha pumehana,

Edith Kawai

On January 24-26, 2020, the leadership of Moku O Manokalanipō gathered in the moku of Kona, ahupua’a of Kōloa near the one hānau of our beloved ali‘i, Prince Kūhiō Kalaniana‘ole. It was a great time spent together in formal and informal ways. We mainly discussed the following items- 2020 meetings and activities for clubs; AOHCC strategic plan and connecting it to Manokalanipō activities; funding opportunities; and Convention 2023 on Kaua‘i.

There were 11 events we had planned to carry out between February and June 2020 as individual clubs, as a collective in partnership with other non-profit organizations, government agencies, and private businesses here on Kaua‘i. This also included a new partnership with Ka Hale Pono Inc., a non-profit that planned the 10th Annual Anahola Prince Kūhiō Day Celebration. Unfortunately many of these events were canceled due to COVID19.

Moku o Manokalanipō submitted numerous testimonies as a part of our advocacy activities to both the Hawai‘i State Legislature and the Kaua‘i County Council. The issues related to the Mauna Kea access road, protecting the wahi pana of Waimakaohi‘iaka here on Kaua‘i to protect the salt making traditions, relating to waste management, public trust funds, voting, vital statistics, and polystyrene foam. We continue to learn from all the expertise of all the active advocates within the AOHCC and we are thankful to have the opportunity to contribute in these little ways.

We are thankful for all the innovative ways that our community has turned to virtual events as a way to connect with our communities around the world and continue to build relationships with one another.

Aloha, we hope this finds everyone healthy and safe. 2020 has certainly been a challenging year. Before the shutdown due to COVID19 we were able to present our annual performance of the Life and Legacy of Prince Kūhiō at the Kaua‘i Museum. March is one of our busiest months as we had 4 performances scheduled, but we understood the importance of locking down our island, and appreciate everything that Mayor Kawakami has done to keep the people of Kaua‘i safe. We look forward to seeing everyone online in November. A hui hou.

Ke aloha nui ia kakou a pau. Early in the year our club was able to participate in a number of cultural and educational activities in our community including Makahiki ceremonies and workshops on wa’a culture, paddling and sailing. The global pandemic started affecting Hawai‘i just before Prince Kuhio Day which affected all of our clubs activities for the remainder of the year. Hanalei Canoe Club remains an activity under Hanalei Hawaiian Civic Club and paddling is the hana that threads the lei of our community members together and keeps us strong. It is one of the ways we perpetuate culture and implement our education programming year round. We have never cancelled all of our events surrounding paddling since starting in 1973, not even after the devastating hoods in 2018. Despite missing these activities our club has continued to remain active in our community through food distributions, providing a college scholarship, and providing educational materials to schools on Kaua‘i to use during this challenging period of virtual learning. We hope the everyone is inding solutions to stay engaged in community and most importantly staying safe and healthy. We look forward to seeing everyone virtually at convention. Aloha to all of our Civic Club ‘ohana!

Kaumuali‘i Hawaiian Civic Club participated in the 2020 census community outreach activities by encouraging our members and community members to complete their census. We shared social media posts, called community members, and shared information through in-person activities in the early part of the year.

Kaumuali‘i Hawaiian Civic Club also partnered with Aina Hookupu o Kilauea (AHK) to help distribute over 1500 Kaua‘i grown produce boxes (about 13,200 pounds vegetables and fruit) to ‘ohana of the Hanapēpē and ‘Ele‘ele community over the span of 11 weeks. Our club members of all ages came to kōkua with this food distribution and we all practiced safe distancing, wore our masks, and loved seeing the smiles of our community members. This has been a great initiative that also encouraged all of us to include more vegetables into our lifestyles and also support Kaua‘i grown food. This initiative was supported by a USDA grant as well as funds from the Office of Hawaiian Affairs.

AOKHCC continues to diligently adhere to its administrative duties (i.e., holding board and general membership meetings) each month (virtually since March 2020), maintaining an annual budget, and executing programming projects through standing committees like scholarship, website, health education, and community outreach. In January, we had the installation of the new board.

The first quarter of 2020 started out well. In January, the papa oli a me pa‘i ipu group began their twice monthly classes. The executive officers met at a retreat to establish the mission for the next year. Events were discussed, committees
assigned, and club values emphasized. One focal point was learning about the island of Hawai‘i in preparation of the Association’s convention in November.

In March, AOKHCC began virtual Board and general membership monthly meetings. New efforts became our focus. First, to keep members informed and engaged via virtual meetings, email, website communication, and by phone to conduct wellness checks. This was a chance to tell us how things were going, if members needed supplies or help, and to kūkākūkā. Second, our website was updated and newsletters sent out on a monthly basis with additional regular email blasts such as the ‘Word from the Pelekikena’. We continued to emphasize the remembrance of the thirteen Hawaiian core values, to further engage members during this unique time. Also, members began individually making masks and face shields for front line caregivers.

‘Ōlelo Hawai‘i virtual classes were established, 3 times weekly, which gave members a chance to virtually see each other and learn and practice ‘Ōlelo Hawai‘i.

We have taken this time to continue to socially connect virtually. Currently, in-person events have been canceled or postponed for the foreseeable future. Our goal for now is to provide hope, kōkua, a few laughs, and strength for our club and our community.

Hui Hawai‘i O Tenesi Hawaiian Civic Club continues its mission to perpetuate the Hawaiian Culture and Aloha Spirit. Our primary function is to support the cultural needs of our military members and families of Fort Campbell Army Post, many of which have been transferred from Hawai‘i or are Native Hawaiians serving in the military.

In 2020, with COVID-19, many of our activities had to be cancelled. Sadly, Lei Day at the TN State Veterans Home, Asian-American Pacific Islander Month and Military Appreciation Month in May and Riverfest were not able to be held. Our 3rd annual luau in August had to be cancelled as well. We are on standby for the Veterans Parade and Christmas Parade where we show off our float with a volcano.

Our hui continues to share the culture at the Clarksville Downtown Marketplace during the summer with ono kalua pork sales, crafts, and Tennessee grown Hawaiian plant sales.

Our adult members participated in a fern and taro plant workshop conducted by our club’s plant grower where they learned how to plant and malama their fern and taro plants. Keiki specific workshops are planned for yet this year.

Hui Hawai‘i O Tenesi Hawaiian Civic Club is proud to further the vision of Prince Jonah Kuhio Kalanian‘ole
We send to you our fondest Aloha Ya’al.

Like most Hawaiian Civic Clubs, we started 2020 with gusto and enthusiasm for upcoming events. Planning was well underway for our annual May Day Lei Day celebration, including a very popular luau and rage. We were busy planning a summer picnic, in an effort to sponsor opportunities for our members to get together informally, eat ono Hawaiian food, and enjoy kanikapila. And we were working to schedule a visioning session with Papa Ola Lokahi during 2020 to build our strategic vision for our Civic Club in Wisconsin.

By early March, unfortunately, all of those plans were put on hold and ultimately cancelled for 2020 due to the pandemic. We are adjusting to virtual everything including our local HCC meetings, Mainland Council meetings, and now, a virtual convention in 2020. We look forward to connecting with ‘ohana near and far, and “moving forward with strength and aloha”!

2020 saw a number of efforts and events we were holomua kakou to continue expanding engagement with our Hawaiian and the Asian-American Pacific Islander (AAPI) community.

• 2019 ended with our annual Kalikimaka Buffet honoring 5 local Hawaiians of influence and found we had won 3rd place in a Boyd Gaming “Trees of Hope” fundraiser benefiting our scholarship fund. We conducted an Officer Retreat and Installation for newly elected Board Members and restarted our quarterly newsletter
• In January our 3rd annual Business ‘Aha‘aina brought together 10 local Hawaiian and AAPI organizations to share planned 2020 events
• In February, we hosted the 1st Quarter Mainland Council meeting at the California Hotel and conducted a Jamba Juice fundraiser
• In March we cancelled our monthly General Membership Meetings (GMM) and Board Meetings became virtual due to the pandemic. Prior GMM’s special presentations covered the 2020 Census
• Monthly Na Mea Hawai‘i sessions ended in March due to the pandemic and sessions covered scholarships, budget, and finance
• In May the Board developed a call campaign survey to increase interaction with our Membership during the uncertainties
of the pandemic. We also made the tough decision to postpone our annual Ho’olaule’a
• September saw us restarting our GMMs via virtual links along with a new website going live as we transition from the old
one which was shut down in October)
• We presented two Founder’s Scholarships, one to our 2020 winner and one retroactively to a 2016 winner who was not
able to be contacted/awarded in 2016
• Throughout the year we continued our partnership with Ninth Island Aunties for food distribution to Las Vegas homeless
and for families in need of food during the pandemic
• Finally, the Club plans to install a Makahiki display at the Las Vegas Natural History Museum in November for the 4th
year.

For 2020, our club's last in-person membership meeting was March 14, 2020. Due to the Covid-19 Pandemic our club had to cancel our 2020 11th Annual Aha Mele Hawaiian Festival (Scholarship Fundraiser) in April. Our May Day is Lei Making Day in May was also cancelled. Our club's 14th Anniversary was celebrated virtually in July. On August 8th, our club awarded 5 Scholarships Awards to Kaleimomi Newby, Kupono Ling, Stella Kananionapua Mason, Nicole Manual, and Tienna Hall-Hilton.
For the 10th year, the O‘ahu Council conducted makahiki at Pearl Harbor Hickam. This event co-sponsored by the Department of the Navy was originally established as a result of consultations with the Hawaiian Civic Clubs over the development proposals for Moku ‘Ume‘ume (Ford Island), Kalaeloa, and Polihale (Pacific Missile Range Facility-Kaua‘i). We were honored to have Read Admiral Robert B. Chadwick participate in makahiki games along side our royal societies. The cultural tradition of makahiki continued in January at Helumoa. Our clubs enjoyed the participation of royal societies and tourists at this annual event.

O‘ahu Council was active at legislature and provided testimony on issues pertaining to the Public Lands Trust, Red Hill Fuel Tanks, Educational scholarships, Lowering the Voting Age, and Privately-owned landfills. Due to the efforts of our Wai‘anae moku clubs, SB2386 HD2-providing for a 0.5 mile buffer around landfills passed out of both houses of legislature. If you recall, this initiative began with a resolution from Nānāikapono Hawaiian Civic Club and was introduced by Ke One O Kākuhihewa at last year’s convention. The bill will soon become State law and we can anticipate our native Hawaiian communities protected from additional contamination from these harmful landfills.

O‘ahu Council and member clubs were honored to participate at Hawaiian Caucus Day again at the Hawai‘i State Capitol. This annual event is sponsored by the Hawaiian Legislative Caucus and keeps us involved with important legislation being discussed at the capitol.

O‘ahu Council began working with the Council for Native Hawaiian Advancement in 2019 to support the Prince Kūhiō parade in Kapolei and Hō‘ike‘ike at Ka Makana Ali‘i. However, due to the COVID-19 pandemic, the parade and hō‘ike‘ike were postponed. We participate regularly at this event to honor our founder and highlight the good work of each of our clubs and we look forward to the Prince Kūhiō parade and hō‘ike‘ike next year.

O‘ahu Council engaged with the US Census this year and became a member of the Hawai‘i Complete Count Committee. Census representatives were invited to Council meetings to provide reports and updates. Individual clubs, like Ko‘olaupoko Hawaiian Civic Club and Ko‘olaupoko Hawaiian civic club actively encouraged their communities to fill out the census form online. Our goal is to increase our 2010 response rate. As of September, the Hawai‘i response rate of 62% is slightly lower
than the national response rate of 65.5%. Mahalo to all of the Hawaiian civic clubs encouraging their communities to participate in Census.

During the pandemic, clubs have been making masks and reaching out to kupuna. A call for masks from Ken Farm of Kalihi Pālama Hawaiian Civic Club was answered with enthusiasm. Hundreds of masks were donated by Oʻahu civic clubs for our community in Kalihi, especially the Pacific Islanders who seem to be the most effected by the COVID-19 virus.

We look forward to hosting the Association of Hawaiian Civic Clubs at the Hawaiʻi Convention Center, October 31-November 7, 2021. Our Conventions and Meetings committee received quotes and set up meetings with Oʻahu hotels prior to the departure of aunty Lorna. We are currently working with Holoaumoku to update her on the latest discussions. Please stay home and stay healthy. We will get through this year and continue the advocacy and education envisioned by our founder, Jonah Kūhiō Kalanianaʻole.

Sincerely,

ʻO Hilina mā ka mālama, ʻo Lono ka pō

Aloha mai kākou!

Our heartfelt aloha to all of our Civic Club brothers and sisters, in this time of deep introspection and mākia. The holding of this conference, virtually, out of love for the well being of our kupuna and ʻohana, sends a powerful message to our descendants: Aloha aku, Aloha mai.

Love is the best remedy.

The Coronavirus which has landed upon our shores cautions us with vivid reminders of the immeasurable loss that our Ali‘i and kupuna faced in the 1800s, by foreign diseases for which they had no immunity. Our deep gratitude to our noble leaders and organizers, for protecting the health of our community, through your love.

Ali‘i Pauahi stewards Loko i‘a Pāʻaiau, the 600 year old loko i‘a of Moʻi Wahine Kalanimanua, in partnership with the Navy and the communities of ʻAlea, Kalauao and beyond. In 2020, our impact on nature’s beauty and fragility is profound.
Mindful of our inherited kuleana to protect our sacred environment, its inhabitants, and the 1000-plus Native Hawaiian children and adults who visit, we shifted our educational and healing practice to small group gatherings, with focused intention on restorative connections.

Our members gathered la`au gifts from the forests of Palehua, pōhaku from Waianae, and powerful mana from Kamehameha Schools, KUA, Honolulu Friends, the Aluli `Ohana, Kanu o Ka `Āina Charter School, University of Hawai`i LCC, Damien High School, Boy Scouts Troop 488, Commander Darrel Frame and `ohana, the residents of McGrew Point, and all of the ancestors. Our heartfelt mahalo nui loa to Kumu Kahale Unciano, Living Life Source Foundation, Aunty Verna Takashima, Uncle Solomon Apio, Uncle Shad Kane, Uncle Bruce Keaulani, Jeff Pantaleo, the Lum `Ohana, the Moa and Vargas `Ohana, Tiana Henderson and Holani Hana.

With gratitude and aloha, we invite you all. E mālama pono!

Aloha Project
The Elizabeth Kahanu HCC kicked off its first year with two great meetings and guest speakers. In February, Senator Jarrett Keohokalole and Representative Daniel Holt, leaders of the Hawaiian Affairs caucuses in their respective chambers, provided guidance on how to effectively advocate for our community in the 2020 Legislative Session.

In March, we welcomed Scott Morishige, the Governor's Coordinator on Homeless, who shared insights into how government and private entities deliver services to those experiencing houselessness and how our club and others can support ongoing efforts. Our meetings feature good discussion, opportunities for learning and growth, and wine -- and both meetings can be viewed online on our Facebook page.

We look forward to resuming our in-person meetings in the new year.

Dr. Yong, attended Kamehameha Schools Kapalama ’03, received his Ph.D. in applied mathematics in May 2012 from the University of Iowa, making him the first Native Hawaiian to reach this accomplishment.

Due to the pandemic we have had monthly virtual Officers/Board Meetings and 1 membership meeting. All informational meetings are conducted via ZOOM. We hosted two (2) ‘Aina Aloha members to talk with about the organization, its purpose and what are the future plans of the organization. HCCH is presently a corporate member of “Aina Aloha” and the “Council for Native Hawaiian Advancement”. We are focusing information for our younger members to increase their awareness of the Lahui.

To stay in touch with our members we send a monthly newsletter by email and postal mail on current news, health suggestions and virtual events available to them. We established a KOKUA MARKETPLACE for our members to sell their merchandise, ceramics, clothing and food products online. We continue to provide kokua to our members by ensuring that they take care of their health and well being and to share their experiences that help them to cope with the challenges of the COVID19 pandemic.

Focus, integrity and commitment set the foundation for the Hawaiian Civic Club of Wahiawa on November 10, 1960. In 60 years, we have continued our mission - to inspire, educate, and encourage all things Hawaiian, unseen and seen.

To protect, preserve and perpetuate our 'āina (family), iwikupuna, kūpuna ma, and na 'ōpio are foremost on our agenda. Second, third and fourth generation descendants of our Founding Fathers continue as members. We honor our Lālā Kūpuna: Roselia Poepoe, Roselani Hall, Bernard Rodrigues and Barbara Pua'a, who are our last living Founding and Charter Members. E ola no!

The Friends of Kūkaniloko are rooted in the Hawaiian Civic Club of Wahiawa. HCCW was established to guard our mo'olelo - traditional comprehension - of the 36,000 acres of Puʻu honua Kūkaniloko, kalana Wahiawa, Līhu'e, Halemano... Members work diligently, individually and collectively, as Kūkaniloko is revealed.

kalana apa'a Kūkaniloko, O'ahu a La'ila'i...36,000 acres set apart by kaʻānani'au, the beauty of experiencing time...metaphysically centered and connected since time immemorial to time eternal.

Kūkaniloko, a place of education and learning... Piko Listening Journeys reveal the importance of our ancient teachings. "Mai kākou e pu pa'akai" - come and share salt with us... In the days of ka po'e kahiko salt was used to preserve. We ask you to assist in preserving Kūkaniloko, the truth of our Nation, ko Hawaii paeaina.

Because of the pandemic, it was hard to meet with fellow members. As Interim Pres. I got involved with many community activities, such as: food distributions, meal distribution to families, food bank, gathering boxes from Costco so food could be put in these boxes and just given to those who drive up. Working with summer fun programs during these times. Serious precautions were needed to make sure our keiki were safe and that they trusted us. Pono research program...Learning what's going on in our community from Mauka to Makai..and arts and crafts to make at home. Growing my own vegetables. When this pandemic is over, I want to share with members so they can grow their own. Also, making and donating masks for those in need.

Founded in the garage of Louis Mahoe's Kalapawai home in 1958, the Kailua Hawaiian Civic Club is dedicated to the well-being of our Hawaiian people, culture, and ʻāina. We strive to: 1- enrich the lives of Hawaiians in our community, 2- advance the appreciation, study, and practice of Hawaiian culture, and 3- mālama the lands, waters, and wahi pana of our ahupua’a.

Our summary of activities in 2020: Until the onset of the covid crisis, we met and worked monthly at Ulupō heiau and had just committed to maintaining six of the iwi kūpuna burial preserves in Kailua. Although our “live” presence has been considerably diminished since February, we continue to be active in matters electronic and virtual. As a founding member of Hui Maunawili Kawainui, we persist in working to secure almost a thousand acres of Maunawili lands for conservation and cultural purposes. As one of Kailua’s jve native Hawaiian organizations dedicated to re-establishing a permanent Hawaiian cultural presence at Kawainui, we took part in the successful effort to gain BLNR approval for the Kawainui-Hāmākua Master Plan. We continue to support the Kailua Houseless Service Care Program and were able, this August, to partner with Hale Kealoha in providing 50 individual meals to our homeless community. Through careful management of our scholarship monies, we were again able to offer three post-secondary scholarships of $1000 each to club members and their families. Finally, we serve as a proud parent-organization to Kauluakalana, the newest of Kailua’s native Hawaiian, non-profit organizations whose vision is that of an “ahupua’a lashed together by a braid of ʻāina, kanaka, and culture, forming an enduring bond that generates balance and abundance for our community.”

King Kamehameha Hawaiian Civic Club closed 2019 with our prestigious and successful annual Christmas youth luncheon. The event took place at our Pelekikena’s ‘ohana’s home in He‘eia, and the club hosted youths and staff from Ho‘omalu O Na Kamali‘i, a temporary shelter located on the Leeward Coast. Club members donated food and desert, and provided games, activities, and presents for the youths. It was truly a beautiful way to end the year.

In February, ten club members participated in the Great Aloha Run, which raises funds for charities throughout Hawai‘i. However, 2020 turned out to be a much different year than we expected. Due to the pandemic we were unable to participate in the many events we look forward to, including the Prince Kūhiō Festival Parade and hō‘ike’ike, the annual Visitor Industry Charity Walk, the King Kamehameha Lei draping ceremony and parade, and also the cleaning of the sacred ground at Mauna ‘Ala, to name a few.
However, our club was able to join many other organizations and civic clubs to make a financial contribution to ‘Iolani Palace, which was generously matched by CNHA. And recently we supported our Pacific Islander brothers and sisters by participating in the mask drive donation to We Are Oceania (WAO).

Despite the unprecedented year, we remain optimistic and look forward to upcoming events such as CNHA’s 19th Annual Convention, O‘ahu Council’s final quarterly meeting, the 61st Annual Association of Hawaiian Civic Clubs Convention, and our Annual Xmas Youth Luncheon (which is tentatively in the planning stage). “I mua Kamehameha!”

Our Mission is to perpetuate the Hawaiian Culture, its music, language and arts; which are practiced daily as we protect, respect and steward sacred sites and places in our community, while supporting our Native Hawaiian students in pursuing a higher education.

In June 2019, we celebrated our 95th year with a Paina, we were fortunate to recognize 3 past Presidents: Cathleen Mattoon, Danielle Ululani Beirne-Keawe and Dannette Liko Leota-Pascual. Those in attendance enjoyed the mea 'ai, mele and hula.

Our club members continue to participate in events sponsored by the Association of Hawaiian Civic Club and the O'ahu Council. This year with the Covid 19 Pandemic Mandates by the State of Hawaii and the City & County of Honolulu, many events and activities were cancelled. We, keep in touch with a quarterly newsletter and continue to visit our Kupuna. We sponsored our local Cultural Practitioners with supplies for poi pounding, woodcraft and pohaku workshops at our Annual Hau'ula Ho'olaulea. Our partnership with Hawaiian Island Land Trust (HILT) and Hui o Hau'ula to malama the Maunawila Heiau is a big project that has been on-going for several years.

As part of our Civic Engagement, we focused on participating in the 2020 Census and the Food Distributions in our 'Ahupua'a.

Charles Ka‘aiai represented the Maunalua Hawaiian Civic Club the the Ocean OBS’19 Decadal Conference Series - Indigenous Ocean Governance Session. Charley and fellow indigenous friends from Canada, the Continental US, New Zealand and Pacific Islands provided insight on priorities, methods and values for Indigenous ocean observation today and the future. Our indigenous knowledge is not always well understood or engaged by the non-indigenous community. This groups developed and delivered the “Aha Honua”, Coastal Indigenous Peoples’ Declaration at OceanObs ‘19. The work of this conference continued this year and Charley and his fellow indigenous friends developed a section on issues with related projects for future funding by ocean partners with the Government of Canada taking the lead.

Welina mai kākou!

We are the proud members of Nānāikapono Hawaiian Civic Club (NHCC) from the beautiful valley of Nānākuli.

This year NHCC kicked off the club season by participating in the Makahiki at Royal Hawaiian Hotel, which was also the O‘ahu Council’s 1st meeting. We then completed our Annual cleaning of Mauna’Ala and visited the gravesite of Anake Lydia Namahanaikaleleokalani Maioho, former member and Kahu of Mauna’Ala.
NHCC held its 1st workshop introducing new and old members to the Hawaiian Civic Club movement and NHCC's mission. This year the NHCC website was launched, www.nanaikapono.com, where we promoted new membership opportunities and highlighted the 2020 Christine Kunukau Scholarship application process. Once again, we were the proud sponsors of the James Kimo Kelii Coaches award at Nānākuli High and Intermediate Schools 30th Annual Songfest and presented a cash award to the winning class coaches.

As we prepared for our annual fundraiser, the scholarship application process, and upcoming workshops, the devastating outbreak of COVID-19 hit our islands. The club decided to continue moving forward with our goals for 2020 and embraced technology through meetings using Zoom. The year 2020 has taught us resilience, appreciation, and, more importantly, to move forth with love and grace.

We want to dedicate this 61st convention to our fearless leader, Pelekikena Kapi‘olani Dolly Naiwi, who passed away on October 4, 2019. Her dedication to growing NHCC's membership, staying committed to the community of Nānākuli (the town she loved dearly) by providing continuous leadership opportunities for generations to come will never be forgotten. Her resolve to uphold the vision of Prince Kūhiō through the Hawaiian Civic Club's movement was unwavering, and she will remain genuinely missed.

This year has been a very trying and sad year for our Club. The Pearl Harbor Hawaiian Civic Club usually has a Board of Directors Meeting and a General Membership Meeting every month. Looking forward to meeting and greeting our membership with a hug and a honi is very important to us. We had our Installation in January at our General Membership
Meeting that was held at the Halawa Gym. We also had a Board Meeting and General Membership Meeting in February. We attended and participated in the Waikiki and Pearl Harbor Makahiki ceremonies. We also attended the Oahu Council Ke One O Kakuhihewa Meeting in January. We attended King Lunālilo’s Ali‘i Sunday at Kawāiaha‘o Church which was the first and last one to be held this year because of the virus. We attend the Lunālilo Home Luau with a table of 12. In February we participated in the Hawaiian Caucus at the Legislature and hosted an informational table. The Club also manned the second water table at the Great Aloha Run with fourteen of our members turning out to hand out water to the participants. In March we held our last Board Meeting and prepared for the Prince Kuhio Parade that had to be cancelled. Then Covid 19 hit us and meetings at Halawa Gym had to stop because Gyms were closed down because of the virus. The first Virtual Board of Directors meeting was held in April. The Pearl Harbor Hawaiian Civic Club is normally a very active Club in the Community. All of our events and activities had to be cancelled due to the Corona Virus. We were not able to raise funds for our scholarship Fund however we decided to give out Scholarships anyway. Prince Jonah Kuhio Kalaniana‘ole’s mission was for our Hawaiian Youth to be educated so they would become the leaders of tomorrow. The Board of Directors decided to award the same amount given last year as not to penalize our youth for our inability to raise funds because of the virus. Our Club was able to recruit five new members during this pandemic. We lost two members this year that will be honored in the Hali‘a Ceremony. We paid per capita for 105 members. We sent in testimonies to the Legislature to support our Resolutions. We are looking forward to when we can go back and have our meetings in person. Convention will be a challenge this year being the very first virtual Convention in our history. We will be attending Convention with 11 Delegates and 1 At Large Delegate.  E Paepae Iluna Loa I Ka Malamalama…Hold High the Light of Knowledge.

This year we continued implementing our 5 year strategic plan through our committees, drafted policy priorities, and supported advocacy efforts. Given the Covid-19 pandemic and stay-at-home orders, we had to adjust to online, virtual, and social-distanced engagements including installing our newest members in an online virtual ceremony. We were still able to lead efforts to address the public health crisis in Nānākuli, O‘ahu, and rally support in opposition to the PVT Landfill Special Use Permit application and to support the passage of Hawaii’s newest Environmental Justice legislation - SB2386 - establishing 1/2 buffer zones between waste and disposal facilities, including landfills, and residences, hospitals, and schools. This new law will ensure that no community, including our future generations of Native Hawaiians, will have to suffer the ills of landfills. Mahalo to Dr. Benton Pang, Kamuela Werner, MPH, Roth Puahala, Kā‘eo Kealoha Lindsey for their kokua in our advocacy efforts. Mahalo to Kuni Agard for heading all our IT on projects and Ian Custino as they helped our club members adjust to and engage online. Mahalo Denise Kekuna for all her years of service and welcome to Leilani Williams-Solomon for taking on the role of Treasurer. Mahalo to Yvonne PeeWee Ryan for her exuberant efforts to support our club with all our administrative tasks as we continue to update our systems.
The PKHCC-Scholarship Fund awarded almost $10,000 this year. Calendar sales support the scholarships. The 2021 calendars are available on our website (www.pkhcc.org). Mahalo to Bruce and Charmain Wong for their continued hard-work and mahalo nui to Aunty Bobbee Mills-Diaz for her gifting of the calendar.

The Association of Hawaiian Civic Clubs (AOHCC) is a confederation of fifty-one (62) Hawaiian Civic Clubs located throughout the State of Hawai‘i and in the States of Alaska, California, Colorado, Illinois, Nevada, Utah Virginia and Oregon. They are the oldest community based grassroots Hawaiian organization in Hawai‘i, having being formed in 1918 by the then non-voting Delegate to the United States Congress Prince Jonah Kūhiō Kalaniana‘ole. They are the only Hawaiian organization to have membership clubs outside the State of Hawai‘i.

One of the clubs based in Hawai‘i is the Waikīkī Hawaiian Civic Club (WHCC). We became a chartered member of the AOHCC in 1964. WHCC is dedicated to the promotion and perpetuation of traditional native Hawaiian values and practices and has a long history of involvement in diverse areas including native health and education. It has also been involved with several Hawaiian language immersion projects relating to native language and cultural practices.

Mauna`ala
Every year WHCC commits to returning to Mauna`ala during the month of July to help with the upkeep of the chapel and surrounding areas. While we were able to do our annual service in 2019, due to COVID, our annual kokua for 2020 at Mauna`ala was cancelled. WHCC anticipates that we will be able to gather, kokua and visit our kupuna, our ali`i, our `ohana and work with Maunalua HCC again next year.

Ke One o Kākuhihewa
We were represented at our Council meetings this year which were held via Zoom by Ike Kaaihue as permanent member and Piikea Tomczyk as Pelekikena. Roth Puahala is currently serving as the Council’s immediate past president.

2020
This year, 2020, was to be a rebuilding year for WHCC. We were in the midst of planning for our future and getting our members re-energized. Then COVID-19 hit us. We had to cancel our pa`ina, we cancelled our meetings but we continued to try to keep ourselves together. Members were adjusting to new schedules at work or not, new ways of doing things on ZOOM and TEAMS. Not all of our members were comfortable to this new way of life yet and so meetings for us has been a challenge.

We will continue to E Huki Like. We look to a brighter future and the time when our members can gather, hug, discuss and engage with each other and our community.

From Legacy to History

The Kukui Lamakū Recognition was founded and initiated in 1989 by then Association of Hawaiian Civic Club President Jalna Keala. She strongly believed in giving recognition to our kūpuna who are civic club members that have led the way for us and who have not received any kind of an Association award.

The following Association President Bruss Keppeler, loved the idea and imbedded the Kukui Lamakū Recognition into the convention agenda. The Kukui Lamakū is a heartfelt recognition of a few people by their ‘Ahahui Pelekikena. It is not a competitive award. The kūpuna are the ones who enlighten us with the FLAME or KUKUI over the years in their quiet humble, supportive way without being in the limelight over a period of time . . . not this year, or last year, but sustained services they have provided throughout their unique lifetime.

It was Aunty Betty Jenkins a member of Aliʻi Pauahi Hawaiian Civic Club, who came up with the idea and the name for this prestigious award. “It is a good one” she said “very descriptive with the kaona”. When you think about it, we can think of many kūpuna, we all know of them, we know of someone and their lives have expressed the finest and the very best of our Hawaiian values.
