About the theme:
Mōhala i Ka Wai Ka Maka O Ka Pua
Unfolded By The Water Are The Faces Of Flowers.
ʻŌlelo Noʻeau #2178

Moʻolelo: Flowers thrive where there is water, as people thrive when there is an abundance of wai--the wai that nourishes ka hōnua; the wai which mountain peaks and valleys preciously guard; the wai that brings life to the people.

Mōhala has so many and such deep meanings. Enfolded within the lau mōhala kalo, the wai gathers from soft or pelting rains, stirring images of the many peoples who must unite wherever they are to keep Māmā Hōnua and her many pua thriving, despite the darkness--disease, hate, wars, discontent--that surround us. Just as the wai flows into the safety of the ipu wai, we--the wai--can flourish in the beauty and, as was shown in the last sixteen months, can adjust to the many challenges. Mōhala i ka wai--unfolded by the water--ka maka o ka pua--are the faces of flowers defines the determination and willingness to malama our world and our neighbors that we may bloom and thrive together wherever we are planted.

E kuʻu ‘ohana o nei ‘Ahahui e kaulana nei! Eia hoʻi waau, ko ʻoukou Pelekikena e aloha aku nei iā ʻoukou a pau loa. Ua hiki mai nei nō hoʻi ko kākou ‘Aha kū makahiki, ʻoia hoʻi ka ‘Aha 63 o ka ‘Ahahui O Nā Hui Siwila Hawaiʻi. ʻAneʻane hiki mai ka palena o kuʻu noho pelekikena ‘ana – ʻaʻole naʻe he maʻalaihī kuʻu wā noho pelekikena me ia maʻi ahulau COVID, eia naʻe e like me ke akamai o ko kākou Mōʻī mua loa i kona paipai ʻana i ʻaʻohe hoʻi mai ko wai ʻawaʻawa, ʻaʻohe hope e hoʻi mai ai.” Withstanding the many challenges and barriers of COVID, the Association has continued to hold i mua! The year 2022 proved fruitful and blossomed forth with two conventions (this convention and the 62nd convention in January that considered the most resolutions in recent history – if not, ever), a series of workshops to deliberate AHCC constitution and bylaw amendments and of course the continuous work, appearances and meetings that annually require attention. Our convention theme, “Mōhala i ka wai ka maka o ka Pua,” reminds me that we must always be appreciative for the resources (time, money, volunteerism) we have as they directly impact our ability to complete the work we have. Soon my term as the 18th pelekikena of our Association will come to end. I am thankful for the opportunities and highlights I’ve experienced as the Association’s president; and although I would have wished for four consecutive “normal” years, I believe this Association is actually stronger and more of a force with which to reckon due to the experiences we shared during COVID. Yet, when we struggle – we struggle; and we easily engage each other in hihia. Sometimes a few spend much energy trying to outwit each another in debate during meetings – missing valuable connective pilina opportunities. We should guard not to be guided by our “points,” rather than seeking understanding of what our family members are trying to convey. Rules should never be used to divide us or become weaponized; or should never become walls that prevents us from completing our work, but should guide, support and uplift us. Policy should not create barriers over opportunities; and therefore, I hope that our members will always embrace the spirit of what we do and why we do it – so that we become resources to encourage our ‘ōpio leaders; and provide them a strong foundation so that our future is secure. “Mōhala i ka wai ka maka o ka pua” implores us, not to just see ourselves a beneficiary of the resources, but to engage ourselves in every opportunity to uplift our lāhui and secure our future. For some this may mean strengthening their skills in ‘ōlelo Hawai‘i or their knowledge of the mission and vision of the AHCC; or perhaps it’s sharpening their talents as a president or leader or in resolution composition. Might it also be deepening their knowledge of Robert’s Rules of Order or maybe it’s how to be a model member by which new and young members are guided? Whatever way each of us chooses their path of growth, it is imperative that each nurtures our growth so that we sustain our “maka o ka pua” that it may be encouraged to “mōhala!”

I congratulate Nā Lei Makalapua Council as hosts of our first in person convention since 2019! May ke Akua bless our 63rd annual convention with success; and may Ke Akua’s love permeate throughout the activities of our convention – bringing us together and returning us home safely at the close of the week. Na ke Akua Aloha e mālama mai iā mākou a pau loa; a Nāna nō hoʻi e pāhola mai i Kona lokomaikaʻi Aloha iā kākou!

Me Ke Aloha Nui!

MESSAGE FROM
U.S. SENATOR MAZIE K. HIRONO

In honor of the Association of Hawaiian Civic Clubs Annual Convention

October 30-November 6, 2022

Aloha and welcome to everyone attending the Association of Hawaiian Civic Clubs (AHCC) annual convention in Seattle, Washington.

For over sixty years, the AHCC has been essential to connecting Native Hawaiians throughout Hawaii and across the continental U.S.

Hawaiian Civic Clubs continue to serve as important advocates to address issues and policy decisions impacting the health, education, and economic advancement of the Native Hawaiian community.

I hope this week-long convention provides opportunities for delegates to connect with each other and benefit from educational and professional development workshops.

Mahalo to the Association of Hawaiian Civic Clubs for all that you do to empower our Native Hawaiian community. My best wishes for a productive convention, and continued success.

Aloha,

Mazie K. Hirono
United States Senator
A MESSAGE FROM
U.S. SENATOR BRIAN SCHATZ
PRESENTED IN RECOGNITION OF THE
Association of Hawaiian Civic Clubs
63rd Annual Convention

October 30, 2022-November 6, 2022

Aloha and welcome to everyone gathered for the 63rd Annual Convention of the Association of Hawaiian Civic Clubs (AHCC).

Since Prince Jonah Kūhiō Kalaniana'ole established the Hawaiian Civic Club of Honolulu in 1918, the Hawaiian Civic Club movement continues to ensure that the voices of the Native Hawaiian community are heard. Hawaiian Civic Clubs in Hawai‘i and across America bring people together while preserving and perpetuating Native Hawaiian culture. This convention is an opportunity to celebrate your accomplishments, connect with and learn from each other, and plan for the future.

Mahalo AHCC for supporting the people of Hawai‘i. Best wishes for a memorable and successful convention.

Mahalo,

United States Senator
A Message from Congressman Kaialiʻi Kahele

The Association of Hawaiian Civic Clubs 63rd Annual Convention

October 31, 2022

Aloha mai kākou!

I send my aloha and greetings to the delegates, executive officers, directors, and all in attendance of the 63rd Annual Convention for the Association of Hawaiian Civic Clubs (AHCC)!

Beginning with the vision and dreams of Prince Jonah Kūhiō Kalanianaʻole, the AHCC continues to elevate and promote Native Hawaiian civic engagement, economic prosperity, and social conditions to become outstanding citizens and leaders in their communities. Today, the AHCC perpetuates its vision of fostering political advocacy which impacts and benefits the Native Hawaiian community across the United States.

I would like to send my congratulations to the nominees for the executive officers positions, as well as recognition to the current executive officer leadership. I also send congratulations to the nominees for the various awards which exemplify and represent the highest integrity of service to our communities. A special recognition is due to President Hailama Farden for his leadership across two terms. Your work and service has been truly commendable.

To everyone in attendance, I wish a successful and productive annual convention! This is an opportunity to be thankful for the great progress we have made, and chart a path forward to an even better future. Together, we will continue in Prince Kūhiō’s vision to perpetuate continual progress for our Native Hawaiian communities.

Special Message from
Governor David Y. Ige

In Recognition of
The Association of
Hawaiian Civic Clubs
63rd Annual Convention
October 31–November 6, 2022

On behalf of the people of the State of Hawai‘i, I send a warm aloha to all the delegates, alternates, members, and guests of the Association of Hawaiian Civic Clubs 63rd annual convention at the DoubleTree by Hilton Hotel Seattle Airport.

With a firm belief that the future of the Hawaiian community and its people could be secured only through an organized effort by Hawaiian leadership, Prince Jonah Kuhio, founded the Hawaiian Civic Club movement in 1918. The movement evolved into the Association of Hawaiian Civic Clubs, an organization that provides scholarship aid for the education of Hawaiian students; preserves and promotes the Hawaiian heritage, traditions, language, and culture; promotes and supports organizations interested in improving the conditions of the Hawaiian people and community at large; and perpetuates the values that dignify all human life.

Mahalo nui loa to all of you for your unwavering determination to honor and maintain the vision, purpose and work of Prince Kalanianaoele, and for your dedicated service in helping to enrich the lives of our Native Hawaiian community. Please accept my best wishes for a successful convention.

With warmest regards,

DAVID Y. IGE
Governor, State of Hawai‘i
He hali’a Aloha no Arthur Hoke

Aloha nui loa kākou  my name is Hailama Farden and I am the 18th president of the Association of Hawaiian Civic Clubs. A conglomerate of nearly 65 civic clubs from Washington, DC to Hanalei Kaua‘i.  I am here in my capacity as President to reflect on Arthur Hoke, who served his people and his Association as its 12th President – Well Dr. George Mills served two four-year tours of duty so maybe Arthur is the 11th President and I the 17th? (haha)

Although I have been a member of the AHCC for 30 years, I have only been active at Association conventions for 20 years. At my first convention which was held at the Golden Nugget in Las Vegas in Las Vegas in 2002, my initial impression was Arthur was loud, scary and he was causing a lot of stress for the AHCC President...It took some veteran members to confirm for me that this man Arthur was the AHCC IPP and that he was only bantering with the president who was one of his best friends, Charley Rose – ah, made sense to me!

I don’t know what was President Hoke’s introduction into the Hawaiian Civic Club movement, but I am pretty sure that Auntie Sis Wideman (his mother) probably had some influence. Our Association records show Arthur, a member of the Hawaiian Civic Club of Ka‘ū at the time serving among the 10 other charter members of the very first AHCC HACPAC (Hawaiian Civic Political Action Committee) in 1978 (Roy L. Benham [Prince Kuhio] served as its first chairman. Other officers of HACPAC included Charles Rose [Lau‘uihoehoe], vice chair; Jalna Keala [Ali‘i Pauahi], secretary; Ethelreda Kahalewai [Pu‘uloa], treasurer; and directors Rona Rodenhurst [Ka‘uilani], Bobbee Mills [Ko‘olauloa], Benson Lee [Pearl Harbor], Fred Cachola [Wai‘anae], Arthur Hoke [Ka‘ū], Hartwell Blake [Kaua‘i] and Francis Wong Leong [Ho‘olehua]). With Arthur’s passing there remains only one other charter board member, Mr. Fred Cachola. For 60 years the Hawaiian Civic Clubs deliberately shied away from direct political activity, as a separate entity of the Association with its own constitution and bylaws HACPAC could engage influence in unchartered waters for the AHCC.

Arthur was elected first vice president in 1994; serving under Bruss Keppler as president. In 1995 the AHCC convention was to be held on Arthur’s home island; specifically at the King Kamehameha Hotel. The opening ceremonies were lavish, attended by many Hawaiian organizations; even the Hōkulē‘a, E Ala and Makalii’i canoes participated. The Makali‘i brought the AHCC board to the entrance of Kamakahonu Bay. The AHCC board was then to be transported on a smaller wa‘a to shore for the board to make their way to Ahu‘ena Heiau to present Ho‘okupu – then escorted to the hotel banquet room by the Royal Order of Kamehameha – except no one planed for the chance that there might be a shift of weight and the wa‘a – right in front of Ahu‘ena, huli-ed. Can you imagine AHCC leadership – Keppler, Amaral, Ka‘ihi, Pang, Damahe and --- HOKE! In their best clothes swimming in the bay. .. Oh Wait! You don’t have to imagine that one, because Baron Sekiya of West Hawai‘i Today captured the moment and published it in the paper. The photo shows Arthur – not looking too happy in the water between the ama and the overturned wa‘a –

Arthur, now a member of the Hawaiian Civic Club of Hilo was elected Pelekikena (President) in 1996 and served from January 1997 (relected in 1998 – and completed his tenure as President on December 31, 2000. During the two terms that President Hoke served (four years total) he saw to the completion of what would become the “Palapala ‘Ae Like” that would identify common ground and goals for the AHCC to embrace. The AHCC was 47 clubs strong during his tenure (with one club added). The Association’s 501c3 arm – Hawai‘i Maoli was established during this time.

In 1998 The AHCC grew with the chartering of Pi’ilani HCC of Colorado. 1999 also saw the HCC of Southern Las Vegas chartered. Under President Hoke’s guidance- the ‘Iolani palace was in need of 90 6’x9’ Hawaiian flags (at an estimated cost of $4,500). Arthur seized the opportunity to raise money from the floor and not to touch the AHCC’s corpus- he secured bids from the membership for $5125. (the difference to go to Hulihe‘e Palace and Hānaiakamalama Summer Palace).

On January 1, 2001 – Arthur Hoke became the immediate past president of the AHCC. By 2002 – when I came along- he was well-fitted for his role – giving hard rub to his good friend and then president, Charles Rose.

Dear President Hoke! The Association of Hawaiian Civic Clubs – your family – joins me in giving our love to you! We thank you for your service to the AHCC and to our lāhui. You’ve joined your buddies Charley Rose and Ike Ka‘ihiue and Walter Victor– give um hard rub! And when you meet our Prince Kūhiō Kalaniana‘ole – I know he’ll extended his hand to you – for a job well done!

Me Ke Aloha paumākō!

Welina mai kākou,

Welcome to the 63rd annual convention of the Association of Hawaiian Civic Clubs. On behalf of our Board of Trustees and the Kamehameha Schools ‘ohana, I want to express how deeply honored we are to join you here in Seattle for this year’s conference.

While technology allowed us to keep in touch during the last couple of years, we are excited to reconnect with all of you in person.

This year’s convention theme, “Mōhala i ka wai ka maka o ka pua,” feels especially meaningful, as we find new ways to cultivate and grow our lāhui, so all of our keiki can flourish.

At Kamehameha Schools, we see this future in the smiles of our haumāna; the sense of renewed hope and optimism was evident as we welcomed them back to our preschools and campuses to start the school year. They remained undaunted and filled with the wonder and curiosity that will fuel their drive to become the ‘ōiwi leaders of tomorrow. They are the living legacy of our beloved founder, Ke Aliʻi Bernice Pauahi Bishop.

Mahalo nui loa to the numerous leaders and volunteers who are committed to the vision of Prince Jonah Kūhiō Kalanianaʻole and carrying his legacy forward for civic responsibility and engagement by Native Hawaiians. I want to extend a sincere mahalo to every person who contributes to keeping alive the valuable traditions of this convention.

We are a people who continue to demonstrate our resilience, adaptability, and unity in the face of each and every challenge. We find strength in each other and build on our relationships to advance our lāhui. We understand our kuleana to both preserve the traditions of the past and create opportunities for the generations that will follow. I look forward to our discussions and cherish this time to connect with old friends and form new relationships.

Aloha nui loa e ʻohana o ka Ahahui Siwila o Hawaiʻi nei! Wēlina me ke aloha pumehana iā ʻoukou pākahai mai Kaʻū kua makani! The Hawaiian Civic Club of Kaʻū (HCCK) has continued 2022 with monthly meetings via Zoom. Having completed over 20 meetings thus far, we have managed to stay connected in one of the most remote communities in our pae ʻāina. We hosted a very successful fundraiser this year selling Punaluʻu Iced Cinnamon Bread at our local farmer’s market, and were able to add to our educational scholarship funds. We continue to participate as a consulting organization for the Waikapuna Resources Management Plan, as well as for the US DOT’s Hilea/Ninole Bridge Replacement Project’s Cultural Interpretive Signage display. HCCK is also a consulting organization for the National Park Service’s recent purchase of 16,451 acres at Pōhue Bay in the Kahuku Ahupuaʻa of Kaʻū. Currently, access and management are the key issues being discussed HCCK members have shared with NPS the importance of securing vehicular access for subsistence users, cultural practitioners, and lineal descendents. On July 2, 2022, Ke Akua called home our beloved kupuna Jeanette Kaulalani Akiu Howard. At 98 years old, she was a founding member of the HCCK and a respected and loved member of her Kaʻū community. Our HCCK scholarship was unanimously voted by members to be renamed the Kupuna Jeanette Kaulalani Akiu Howard Memorial Scholarship, and awarded the first scholarship to Amelia Manaʻolanahiwali Uribe-Bounos. Amelia is a 2022 graduate of Kaʻū High School attending UH Hilo, pursuing a degree in business administration. She graduated from Hawaiʻi Community College one week before her high school graduation with a Certificate of Achievement in Agriculture, and completed high school with 30 college credits. She is an excellent first recipient of our new Kupuna Howard scholarship. We wish everyone a healthy and enjoyable 2022. Mai ka uka o ke kai, mai kahi pae a kahi pae, hoʻokahi nō ʻohana o Kaʻū. From uplands to the sea, from border to border, edge to edge, we are one Kaʻū ʻohana! Aloha a hui hou e mālama pono!

Six members participated in the 2021 Virtual Convention and assisted with the Registration committee. Once again we were able to meet together at Laehala, Waiakea, Hawai‘i as a club for the convention events.

We continue to rotate our meetings between our clubhouse in Laupāhoehoe and different sites in Hilo. In addition to the continued work at Laupāhoehoe Point, we have been busy with other community causes like the Pāpa‘aloa gym, Laupāhoehoe Community Public Charter School, and ali‘i celebrations (Kamehameha Day and He Hali‘a Aloha No Lili‘uokalani).

This year we gathered with the members of Hale O Nā Ali‘i O Hawai‘i, Hālau ‘O Kalākaua, Helu ʻElua to hilo lei lā‘i for Ka ʻAhulei o Kamehameha celebration at Wailoa. We were also invited to participate in He Hali‘a Aloha No Lili‘uokalani and receive lei and hoʻokupu at Lili‘uokalani Garden.

Although we were not able to award any scholarships this year, we continue to work closely with Laupāhoehoe Community Charter School to encourage students to apply for continued educational opportunities.

Kohala Hawaiian Civic Club spent most of 2022 in re-organization under the new Executive Board. Members of the club continued to be the alaka‘i hui for the Protect Pololū Project representing their families and their village. The Pololū
Steward program is one example of the resulting work from the projects’s partnerships with DLNR’s Nā Ala Hele program and KUPU.

Other club members have taken the lead in developing a working group for the new and innovative Kohala Community Plan (KCP). KCP is a response to the need to update the North Kohala Community Development Plan outside of the restrictive structure provided by the current General Plan structure under the Hawai‘i County Planning Department. The KCP is a grassroots effort to engage the Kohala community in defining what North Kohala needs to be a thriving community.

The Protect Pololū Project and the Kohala Community Plan are both official projects under the fiscal umbrella of the North Kohala Community Resource Center, a 501c-3 community non-profit.

The initiation of a Nā ‘Ōpio club at Kohala High School was postponed from the 2021-22 Academic year to the upcoming 2022-23 Academic Year. This was primarily due to the adjustments needed at the High school level as the community navigated out of the COVID-19 Pandemic restrictions. While scholarships were not awarded during the clubs re-organization period last year, the club hopes to be able to resume scholarship in the upcoming school year.

We like to thank the Mainland Council for hosting this year's convention in Seattle. As our communities evolve, Kuakini HCC continues to support economic development by implementing traditional practices and knowledge in our communities to influence decisions and policymakers. Kuakini HCC provided advocacy support for the Miloli‘i Village’s Community-Based Subsistence Fisheries Area rule-making process. Our efforts continue to work with State Dept. of Aquatics, The Nature Conservancy, NOAA, and the Dept. of Interior on addressing coral restoration and resilience as a primary indicator to manage natural resources within the land and sea.

Aloha Kākou!

In 2022, the Waimea HCC submitted testimony on numerous matters. We were especially pleased to support club member, Willette Kalā Akima-Akau’s efforts to secure upgrades to the Kawaihae Small Boat Harbor, we worked with Rep. Tarnas to successfully obtain $8 million in funding for upgrades and improvements.

The Club supported the Kawaihae Canoe Club in celebrating its 50th anniversary by catering a box lunch lu’au for more than 600 participants in their Long Distance Race held on May 14, 2022. Members of the Waimea Hawaiian Civic Club were instrumental in starting up the Kawaihae Canoe Club 50 years ago. The Club continues to support the KCC through cultural scholarships to kokua transportation for their youth participants to travel to practices and to tournaments.

The Club awarded three academic scholarships to Kawela Takushi (St. Mary’s College), Sadie Radl (University of Hawaii – Hilo), and Pakalana Ha’o (University of Portland) for the 2022-2023 academic school year.

The Club will hold its fourth annual golf tournament this year near the end of October. The Elizabeth Kahanu Hawaiian Civic Club, which won the award for Best Dressed Team, brought team members from O’ahu and Kealakekua. We were especially grateful for the support of a sister club in our effort to raise funds for academic scholarships!
We are working with long-time Waimea resident, anthropologist and museum curator, Dr. Momi Naughton, who is writing a book about Waimea’s early residents and history, to offer a community presentation on her work. Though Waimea has grown immensely from its early days, many residents hale from the old time families. Information such as Dr. Naughton has to share is important for the our keiki, whose kupuna provided a foundation for those came after them, to know their story.

Me ke aloha piha,
EDITH KAWAI

The leadership of Moku O Manokalanipō continues to meet virtually and has started to transition back to meeting in-person in 2022.

Moku o Manokalanipō continued our advocacy efforts throughout the year and participated in numerous virtual meetings including those that allowed us to provide live testimony along with written testimony. Some of the key discussions we participated in included:

Changing the name of Russian Fort Elizabeth State Historical Park to Pāʻulaʻula State Historic Site. Discussions were held before the Senate, Committee on Water and Land as well as the Board of Land and Natural Resources (BLNR). On June 9, 2022, the BLNR unanimously approved this name change.

Adoption of a New Chapter under Hawaii Administrative Rules (HAR) to Establish the Miloliʻi Community-Based Subsistence Fishing Area (CBSFA). Adopted by the BLNR on June 9, 2022.

Use of mosquito birth control to bring our native forest birds back from extinction and towards abundance. Approved by the Board of Agriculture on June 28, 2022.

Urging the Counties and the State to Work with Huamakahikina and Kumu Hula to establish policies protecting hula. This Senate Concurrent Resolution was adopted on April 26, 2022.

Our club members also participated in the Policy and Planning Workshops held in-person at the Ala Moana hotel as well as in the virtual meetings.

We are excited to see everyone at the Seattle convention and mahalo nui to all that have been working so hard to prepare for our gatherings.

As we, like many clubs find our way to normal operations following the covid pandemic, the Hanalei Hawaiian Civic Club has still been active in fulfilling our mission.

Hanalei Hawaiian Civic Club offered paddling and cultural programming for kane, wahine, and ‘ōpio. Our keiki were able to participate in the regatta season and in the Garden Island Championships held in Hanalei Bay whereby they placed in multiple divisions. In preparation for the regatta season, the Hanalei Hawaiian Civic Club hosted a Lei Learning activity to teach members how to make lei lā‘i. Additionally, the nā ‘ōpio program planted a flower garden, Nā pua o Hanalei, to continue teaching the cultural practices of making and giving lei. We are looking forward to our end of the year activities including Makahiki and our annual Christmas Light Parade in collaboration with Wai‘oli Hui‘ia Church.

Hanalei Hawaiian Civic Club also advocated for HB1768 which was signed into law by Governor Ige as Act 27, supporting Wai‘oli Taro Farmers Hui in restoring traditional Hawaiian governance of water to their lo‘i. There were two important aspects to this bill/act: 1) it exempts farmers who cultivate kalo in a traditional and customary manner from Chapter 171’s water leasing process and 2) it also recognizes, confirms, and protects traditional and customary and kuleana rights to...
fresh water, including rights of access, delivery and quality of water. Additionally, Hanalei Hawaiian Civic Club successfully advocated to support the name change of Russian Fort Elizabeth State Historical Park to Pāʻulaʻula State Historic Site.

We continue to adapt and rebuild through the changing times and pray for the coming year to bring stability and wellbeing to our community, club, and world. Mau no ka hana!

Welina me ke aloha from our beautiful island of Kauaʻi and our members of Kaumualiʻi Hawaiian Civic Club.

**Food Distribution in Kona moku**

Kaumualiʻi Hawaiian Civic Club established a partnership with Aina Hookupu o Kilauea (AHK) in 2020 during the height of the pandemic and we continue to partner with them in 2022. Together we helped to distribute over 1500 Kauaʻi grown produce boxes (about 13,200 pounds vegetables and fruit) to ʻohana in the Kona moku. This initiative had provided a great opportunity for our ʻohana to continue to explore new healthy recipes that include more vegetables, support Kauaʻi grown food, and contribute to the food security of our island.

**Pāʻulaʻula State Historic Site in Waimea**

We continue to honor this wahi pana that is a part of Kaumualiʻi’s genealogy and share the moʻolelo of this area by hosting hālau, ʻohana, and community members at this historic site. The community continues to celebrate the approval of the name change and we look forward to seeing the updated signage and interpretive signs in the area. We encourage everyone to visit Pāʻulaʻula next time you are on Kauaʻi and call on us if you need a host to share more about the moʻolelo of this area and our king.

Welina mai nei.
Nā Lei Makalapua (NLM) welcomes all to the Association of Hawaiian Civic Clubs 63rd Convention and to nani (perhaps anuau and, if we're fortunate, sprinkled-with-snow) Wakinekona.

Through modern technology NLM club leaderships from across the continent met each quarter. During these Council meetings we learned of clubs' visibility in their communities, their commitment to uplift neighbors, and their keen interest and involvement in current issues of concern locally, nationally, globally, and especially in the pae ’āina.

Referring to committee descriptions in our Bylaws as resources, committee chairs were encouraged and are developing procedures (SOP's) to more definitively outline their kuleana to assist and inform the clubs on current issues relevant to their communities.

Utilizing the Association’s 2020-2025 Strategic Plan as a key source and translating the plan to Council needs and direction, committees and club leadership this year continued their work implementing Council-wide, agreed upon Strategic Planning tasks (and where needed, developed a budget to execute those tasks)—a large percentage of which were completed or are on target.

NLM’s website has a new “face” and will be including more content and a calendar of events.

NLM’s 2022 capstone was the chartering of Hui Ho’okahi o Tejas whose members believe “... Many will benefit from ‘Ōlelo Hawai‘i, caring for our aging Kupuna and teaching the Keiki here of our core Hawaiian values and to become strong leaders.”

With being the oldest club of Nā Lei Makalapua, this year has become the time in which we have chosen to reorganize, review, and rebuild. Due to restrictions and health precautions taken in our local area over the last year, our members have been participating in meetings virtually, when in-person meetings were not a viable option.

We are revisiting our bylaws, reviewing our purpose, and brainstorming new ways on how we can engage with our community at large. Our goal at this time is to create a sustainable plan that allows us:

a. To promote charitable, educational and cultural pursuits beneficial to all races with primary emphasis on persons born of Hawaiian ancestry or born in Hawai‘i, and to actively encourage attainment of vocational and educational goals through the aid of, among other things, scholarships.

b. To unite the membership into working harmoniously for the benefit of all who are Hawaiian and Hawaiian at heart.

c. To instill in our youth of the Hawaiian community a sense of pride in their Hawaiian and American heritage, and to promote and practice the principles of good government and citizenship.

d. To contribute to the civic, economic, social health and moral welfare of our community.

e. To provide forums for free discussion of matters of public interest.

f. To actively participate in the promotion and perpetuation of cultural traditions, Nā mele (song), and ‘Ōlelo Hawai‘i (Hawaiian language), consistently encouraging the learning and use thereof.

AOKHCC sends its warmest aloha to the Association on its 63rd annual convention.

AOKHCC continues to diligently adhere to its administrative duties; holding board and general membership meetings, maintaining an annual budget, and executing programming projects through standing committees like scholarship, website, health education, and community outreach.

Our members are active with the Association, Nā Lei Makalapua, and with the community. Over the past year, delegates attended the AOHCC Convention and Policy & Planning Retreat. We have two members holding executive officer positions with Nā Lei Makalapua and have active member participation at each meeting. In March, we began hula and mele practice in preparation for AOKHCC’s celebration of its 40th year Aha ʻĀina held in October 2022. Since inception, AOKHCC has awarded vocational, academic and cultural scholarships totaling over $300,000. This year, we awarded scholarships to 5 Native Hawaiian recipients.

During this past year, members participated in civic community events providing hula and mele to St Francis Women’s Home in Santa Ana and at the Lomita Railroad Museum in Lomita, California. We held community and fundraising events at the Garden Grove Community Center and at Ho’olaulea in July at Alondra Park. We also actively participated in community outreach events with Pacific Islander Health Partnership (PIPH) and with Pacific American Community Center (PACC).

AOKHCC holds simultaneous virtual and in-person Board and general membership meetings to ensure we reach members across the United States. We also keep members informed and engaged via email and website communication and by phone to conduct wellness checks. Our website is updated regularly and newsletters sent out bi-monthly. Check out www.aokhcc.org.

It is our honor to be in-person at the 63rd Convention, helping with decorations, and we look forward to actively participating in serving and honoring our people in this forum.

Hui Hawai‘i O Tenesi Hawaiian Civic Club continues its mission to perpetuate the Hawaiian Culture and Aloha Spirit. Our primary function is to support the cultural needs of our military members and families of Fort Campbell Army Post, many of which have been transferred from Hawai‘i or are Native Hawaiians serving in the military.

In 2022, with COVID-19, many of our community interfacing activities had to be cancelled just like 2021. Our hui continues to share the culture at the Clarksville Downtown Marketplace during the summer with ono kalua pork sales, crafts, and Tennessee grown Hawaiian plant sales. This provides an excellent opportunity to interact with the community as well as a source of fundraising for our club. We always look forward to the Christmas Parade where we show off our float with a volcano.

Hui Hawai‘i O Tenesi Hawaiian Civic Club is proud to further the vision of Prince Jonah Kuhio Kalanian‘ole.

We send to you our fondest Aloha Y’all.

One of our major accomplishments was amending and ratifying our Constitution and Bylaws. With our fast-paced growth, this amendment was crucial to the efficient functioning of our Club. Our motto was changed to reflect our nurturing of our young people to prepare them for continuing what their kupuna have built in a strong foundation to carry out the caring of our Lāhui. We took a contingent of five youth to Hawai‘i to attend the CNHA Convention and participate in youth activities.

Our first annual Unity Expo focusing on our health, education and culture was planned and organized by our Mohala Youth Council. More than a thousand people attended the all event, culminated by Nā Hoku Award winners, Kamaka Camarillo and the legendary Ho‘aike. We are already in the process of planning for our 2nd annual Unity Expo in 2023.

Our rapid growth also necessitated finding more space to accommodate our scope of services. We are now in a 2000 sq. foot office space that we have named the Aloha Community Center. Our new hale is conveniently and centrally located on the Metro route, giving our clients easy access to our facilities. In addition we have been able to hire 3 part time employees to staff our office which is overseen by our Executive Director.
KA HA was originally established to be a voice for Native Hawaiians wherever they reside as we advocate for the inherent rights of Kanaka Maoli addressing native interests at city, state and federal levels. While doing so, we recognize our need to remain connected to our ‘aina, to be nourished by it, to provide input and support, and to utilize educational resources that further that connection. It is our kuleana to be involved with our communities, our culture, our roots, and the issues our ‘ohana face daily living mau i ola in Hawai‘i and here on the continent. We do so to honor our kūpuna, to lift up our keiki, our mo‘opuna and all Hawaiians.

Club’s Activities (2022):

- In-person gatherings and meetings were stymied by the challenges of the pandemic. Though our vision and mission remain strong, we had to rely on teleconference calls and Zoom meetings to check on each other, to stay in touch and to provide communication from the Council and Association.
- As members were available, KA HA provided manpower to assist at help sites in the Inland Empire and Orange County regions conducting COVID tests and providing educational resources.
- Coming out of the isolation that COVID forced our communities into, is definitely a breath of fresh air even in the dry heat of the desert and mountains where our membership reside. With restrictions lifted, KA HA once again participated in the 43rd Annual Alondra Park Ho‘olaule‘a in July allowing us to meet face to face and share our hā. KA HA members took advantage of the opportunity to participate in the P&P Workshop series virtually providing our collective mana‘o on the AHCC proposed C&B changes. We appreciate the work done by the P&P committee and will be ready to vote our preferences in November.

Some of the objectives for Kauwahi ‘Anaina Hawai‘i Hawaiian Civic Club which the Executive Board of Directors stipulated at the beginning of the year were to increase membership, especially young families; provide educational scholarships for those wanting to further education or training post high school; provide Hawaiian cultural experiences with language, music, and activities; encourage members to be good citizens and be more involved in the local communities, especially in their own neighborhoods.

To help accomplish these objectives a brochure was professionally printed to use as an informational handout. Also, a website and email address for the hui were established. A monthly newsletter is sent by email to members and those who have expressed interest in the Hui. As a result, there has been a greater dissemination of Hui information. Starting in January the attendance has increased each month, with new and old friends coming to the meetings and expressing much aloha for such gatherings. The last meeting held in July was outdoors in a city park and was well attended by old and young families. The children especially enjoyed themselves. They learned to make ti leaf lei, play kōnane, and roll round stones for ulu maika. One of the Hui members was asked if the Hui could sing “Aloha ʻOe” at a funeral of someone who was born in Hawai‘i. A few Hui members fulfilled this request and this gesture was greatly appreciated by the family. An event such as
the Laulau Plate lunch fundraiser served to raise money for the Scholarship fund but also provided the social and cultural experience that our Hui members enjoy so much.

It has been a privilege to serve as Pelekikena for Ke One O Kākuhihewa since 2019. As an ‘ōpio who has grown up in civic clubs since the 1980’s, I always consider it an honor to serve and represent the oldest Hawaiian grassroots organization started by Prince Kūhiō. During my tenure, the Council held it’s first convention to provide a forum for clubs to learn about the resolution process, and forward important issues to the Association. Two new clubs, Elizabeth Kahanu Hawaiian Civic Club and Princess Ruth Hawaiian Civic Club were chartered and are the newest additions to our Council bringing us to a total 26 clubs. I am happy to report we maintained a presence at Hawai‘i Legislature, even during the pandemic, through the submission of more than 50 written testimonies on bills and resolutions critical to uplifting of our community. We look forward to hosting the Association Convention in 2023 at the Hilton Hawaiian Village, “e hana like kākou me ke aloha, i mau ke ea o ka ‘aina i ka pono...”

Focusing on the great importance of the AHCC Constitution and ByLaws, the Princess Ka‘iulani HCC was active with the AHCC Policy and Planning Committee in bringing all clubs together in August 2022 to discuss, update and review these significant documents that define the Hawaiian Civic Club. Princess Ka‘iulani HCC strives to perpetuate the Hawaiian culture through education and advocating for the ‘Aha Moku. The only one of its kind in the United States, and restored from the 9th century through translations of ancient chants, the ‘Aha Moku is comprised of the 46 traditional moku and 606 ahupua‘a within the pae‘aina, the State of Hawai‘i. Its purpose is to bring forth the voices of the people of site-specific ahupua‘a in regards to natural and cultural resources of that place; be guided by the generational wisdom of kūpuna and expert resource practitioners who have traditional knowledge of how to sustain their ecosystem and environment; and, to advise the Chairperson of the Hawaii State Board of Land and Natural Resources (BLNR) and the Legislature on natural and cultural resources in the State of Hawai‘i. Princess Ka‘iulani HCC participates in, and advocates for the ‘Aha Moku which through the efforts and support of Hawaiian civic clubs, is part of the fabric of State of Hawai‘i policy.

Aloha and greetings to the people of the clear salt water! Aloha to our brothers, sisters and illustrious hosts who nurture our beloved Prince Kūhiō’s legacy, across the seas.

We are blessed to gather in this sacred homeland of the Suquamish people, as we emerge joyful, resilient and grateful, after the challenges of the past year.

As guests here, we bow humbly in honor of the ancestors whose spirits remain, moved by the prophecy of the great Chief Seattle: “Every part of this soil is sacred in the estimation of my people. Every hillside, every valley, every plain and grove, has been hallowed by some sad or happy event in days long vanished. Even the rocks, which seem to be dumb and dead as the swelter in the sun along the silent shore, thrill with memories of stirring events connected with the lives of my people….”

In deepest humility, we ask permission to enter and offer our ho`okupu of living water, peace and aloha, that our work will bring abundance to the native inhabitants of Seattle, even as to ourselves. Aloha nō.

2022 turned Ali‘i Pauahi’s attention to practice, protocol and perpetuation of cultural and ecological knowledge. We steadfastly regenerated the royal home of Mo‘i Wahine Kalanimanuʻia, at Loko i’a Pā’aiau, in partnership with the Navy and over 2,500 students, organizations and volunteers, every level of government, lineal descendants, the Living Life Source Foundation and ‘Aiea Community Association. We advocated for legislation benefitting our community, distributed tree harvests raised by our members, and held space for peace, truth and hoʻoponopono, in a time of anxiety and alarm in Hawai‘i. We welcomed the return of native oysters, fish, birds and plants not seen in over 80 years. We thrived!

Mahalo nui to all the ancestors and to all of you!

WELEHU - MŌHALU LĀPULE, 6 NOWEMAPA 2022
HCCH cleaned Mauna'ala in March. We were fortunate to have Kamehameha student volunteers kokua in the cleanup. Manu Boyd and Clifford Loo (of Ko'olaupoko HCC) shared history of Mauna'ala with the group.

Because of COVID, members were not brave enough to meet. So, I represented the club at Food Distribution Drives, Youth Sports at Waimanalo Dist Park, Kokua at the Waimanalo Senior Club, Kokua with the Pono Research and most community activities within Waimanalo. We gave a mahalo amount of $200.00 to help with the Jr. Leaders who are all teens towards their Mahalo night to buy gift cards. Purchased a basket of goodies for a Jr. Leader who is going back to school in Mississippi. All first time Jr. Leaders had a bingo night. They were also treated to a trip to the Water Park. Lunches were provided to those who volunteered their time to help with the summer fun program at Waimanalo Dist Park.

Founded in the garage of Louis Māhoe’s Kalapawai home in 1958, the Kailua Hawaiian Civic Club is dedicated to the well-being of our Hawaiian people, culture, and ‘āina. We strive to: 1-enrich the lives of Hawaiians in our community, 2-advance the appreciation, study, and practice of Hawaiian culture, and 3- mālama the lands, waters, and wahi pana of our ahupua‘a.

2022 Activities: Although our in-person presence at Ulupō heiau has been considerably diminished since February 2020, we continue to be active in matters electronic and virtual. As a founding member of Hui Maunawili-Kawai, we persist in working to secure almost a thousand acres of Maunawili lands for conservation and cultural purposes. As one of Kailua’s five native Hawaiian organizations dedicated to re-establishing a permanent Hawaiian cultural presence in Kailua and at Kawai, we continue to participate in community work, events, and meetings, and to mālama ‘āina. Our yearly activities include: cleaning Mauna ‘Ala (July), supporting the Kailua Houseless Service Care Program by providing 50 individual meals to our houseless community (August), and offering three post-secondary scholarships of $1,000 each to club members and their families (September).

Throughout 2022, Ko’olaupoko has maintained an active schedule of monthly board and general meetings while engaging in a wide variety of community activities. We worked with our area legislators and others to support our legislative priorities during the session. Members participated in the January AHCC convention and the policy and planning session held in August. We hosted a virtual candidates forum for the Office of Hawaiian Affairs candidates during July. Our club applied for and received a Pilina Grant from the Castle Foundation, which enabled us to offer six cultural tours of Kane‘ohe Bay to residents of moku Ko‘olaupoko. The purpose of these tours was to uplift our area residents after enduring two years of the pandemic. We shared the mo‘olelo of the ahupua‘a around Kane‘ohe Bay, the ancient legends, as well as modern history of the community’s struggle to "keep the country country." Our members attended the Native Hawaiian Convention to network with other Hawaiian organizations, where opportunities arose for us to advocate for reclamation of several loko i‘a at Mokapu. Members inspected the Red Hill fuel tanks and were later given a tour of Pearl Harbor. We have been working with the commander at the Marine Corps Base and other military leaders to advocate for the restoration of several fishponds at Mokapu. Ko’olaupoko hosted an original composers mele competition earlier this year, resulting in several beautiful new mele compositions, funded by a grant from Hawaiian Electric Co. Sept. 5th, Ko’olaupoko marked our 85th anniversary with our annual Ku i Ke Kama‘aina scholarship benefit and awards luncheon at Windward Community College. We honored three individuals who were outstanding in their service to our moku: Hi‘ilei Kawelo, Kanekoa Kukea-Shultz and Herb Lee, Jr. We also recognized Helen C. Kane honorees for 2021 - Kainoa Azama and Cathy Werner - and for 2022 - Ardis Eschenberg and Kristi Kaluhiwa. We maintained our pilina with other groups, serving with the He‘eia NERRS, the Ko‘olau Aloha ‘Aina, Kako‘o ‘Oliwi, and Ko‘olau Foundation. Our members are looking forward to the Kane‘ohe Christmas parade in December, where our members will be sharing a trolley ride with staff of First Hawaiian Bank-Kane‘ohe, which provided a grant for the trolley. Our members have continued their consultation services throughout the year, but much of our advocacy work was spent in working for fair and equitable use of Kane‘ohe Bay and respect for Ahu o Laka. Our club has been concerned about the growing incidence of illegal commercial businesses operating from He‘eia Kea Small Boat Harbor and at Ahu o Laka.

The Ko'olauloa Hawaiian Civic Club membership continues to support Community Engagement and Community Service within our communities.

Through partnerships with Hauula Community Association and Hui O Hau'ula we were able to support community food drives in our Ko'olau moku. The numerous hours of coordinating and collaborating brought well-needed food relief to many Ko'olauloa families. The need for COVID-19 clinics required volunteers as we worked to provide multiple venues within our community. Our last event was a Back to School Drive sponsored by individual non-profits and the Turtle Bay Foundation.

We held virtual meetings every other month and focused on various themes to support Community Engagement, Community Service, and Health & Wellness. In March, we participated in our community Ho'olaulea with Cultural Workshops and delicious food.

In June, we resumed our In-Person membership meetings with our 97th Birthday Celebration. In August, we participated in our community event at the Polynesian Cultural Center to pay tribute to our beloved Queen Liliuokalani with a luau and pageantry.

We continue to support the Association of Hawaiian Civic Club activities and events; as well as the 'Oahu Council activities and events.

This year the Maunalua Hawaiian Club remained actively involved in civic and community engagements. We began the year by taking part in the Monterey Bay Aquarium Research Institute Conference on “Scientists Engaging with Indigenous Community”. Shortly thereafter at A Community for Ecosystems Services (ACES) Virtual Roundtable, club member, Charles M. Ka’ai’ai was invited as a presenter and panelist discussing “Customary Management as a Pathway for More Equitable Integration of Cultural Benefits”. We then participated in the Association of Hawaiian Civic Club’s Convention (virtually) with 3 delegates. Next, our club went on to participate in the Ocean Science Meeting followed by the Policy & Planning Committee Constitution & By-Laws Workshop. Recently, club members had the privilege to assist and support a number of community and beach clean-up events.

We want to give a big mahalo to each and every one of our members for their ongoing dedication.

Haliʻa Aloha
Waikīki Hawaiian Civic Club has bid a fond farewell to one of our beloved kupuna who was an active member in our club, our community, and her church. Aunty Gilberta “Berta” Limasa loved participating in the Mauna’ala clean ups, she would always show up for our fundraisers at Kapiʻolani Park or ‘Iolani Palace, and together with Uncle Larry, the keiki and the moʻopuna they were always willing to kōkua. She especially enjoyed bringing the moʻopuna to our Traditional Knowledge workshops on fish and poi, coconuts, and so much more. She always blessed us with her beautiful smile, laughter, and love for our Hawaiian culture. We miss her physical presence here on this earth but we are comforted in knowing that she is in a better place with Ke Akua.

“FROM LEGACY TO HISTORY”

The Kukui Lamakū Recognition was founded and initiated in 1989 by the Association of Hawaiian Civic Club President Jalna Keala. She firmly believed in giving recognition to our kūpuna, who are civic club members who have led the way for us and have not received any Association award.

The following Association President, Bruss Keppeler, loved the idea and embedded the Kukui Lamakū Recognition into the convention agenda. The Kukui Lamakū is a heartfelt recognition of a few people by their ‘Ahahui Pelekikena. It is not a competitive award. The kūpuna are the ones who enlighten us with the FLAME or KUKUI over the years in their quiet, humble, supportive way without being in the limelight over some time. . . not this year, or last year, but sustained services they have provided throughout their unique lifetime.

Aunty Betty Jenkins, a member of Aliʻi Pauahi Hawaiian Civic Club, came up with the idea and name for this prestigious award. “It is a good one,” she said, “very descriptive with the kaona.” When you think about it, we can think of many kūpuna, we all know of them, we know of someone, and their lives have expressed the finest and the best of our Hawaiian values.

DENNIS AND CHARLENE KĒHAULANI KAZNER

ʻĀinahau O Kaleponi Hawaiian Civic Club
Nā Lei Makalapua

Nā Lei Makalapua (Mainland Council) is proud to recognize Dennis and Charlene Kēhaulani Kazner as its 2022 Kukui Lamakū honoree.

Dennis and Charlene Kēhaulani Kazner have been the essence of a loving, supportive, engaging, complementary, integral, crowning example of foundational values that result in a successful marital union. They have children who continue to love, honor, and respect their parents, both having had rewarding 25-year professional careers in one of the largest aerospace production companies, and who find satisfaction and joy in giving of themselves to ʻĀinahau and their communities, especially in their post-professional lives.

Dennis and Charlene reside in Orange County, California. Because of his love for her, Dennis ensures doors are open for Charlene to do a tremendous amount of civic club and community service. He is an excellent listener, understanding, open-minded, and compassionate, with a high confidence level in Charlene's abilities and capabilities.

His children attest to their father’s love for their mother and desire to emulate those same qualities. Charlene Kehaulani Kazner is a Native Hawaiian born in Wailuku, Maui, Hawai‘i, and raised in Honolulu, Hawai‘i. She has served as a Native Hawaiian and Pacific Islander community volunteer, advocate, educator, and navigator for COVID-19, heart disease, diabetes, stroke, cancer, and obesity for over 15 years. For the last 13 years,
Charlene has served as a Native Hawaiian community representative on Pacific Islander Health Partnership’s Board.

Additionally, Charlene serves as the Secretary for the Mainland Council of the Association of Hawaiian Civic Clubs, the First Vice President for ‘Āinahau O Kaleponi Hawaiian Civic Club, and the Board Secretary for the Pacific Islander Health Partnership.

Charlene taught Hawaiian history and culture at the Braille Institute for the Blind for seventeen years. She has held leadership roles on Native Hawaiian and Pacific Islander community festivals, workshops, training sessions, and public and private cultural arts presentations and has served on several community advisory boards, is the Native Hawaiian voice on several health and education committees, and actively participates in civic engagement activities such as voting, census, and redistricting.

Because of Dennis’ love for her, Charlene generously donates her expertise in-kind to Pacific Islander Health Partnership, exceeds 30+ hours per week on various projects and operational duties, and receives no financial compensation.

Nā Lei Makalapua is honored to bestow recognition upon Dennis and Charlene Kēhaulani Kazner as its 2022 Kukui Lamakū honoree.

Leatrice Maluhia Kauahi

Hawaiian Civic Club of Honolulu
Ke One O Kākuhihewa

Ke One O Kākuhihewa’s nominee for the 2022 Kukui Lamakū is Leatrice Maluhia Kauahi of the Hawaiian Civic Club of Honolulu.

As the current Treasurer for O‘ahu Council, Maluhia has kept a keen eye on the fiscal status of the council. One of her first duties was to consolidate and update the council’s bank accounts into one.

Under the direction of the Board, she continues to investigate the history of the O‘ahu Council’s nonprofit status with the State of Hawai‘i and the Internal Revenue Service. In her work, she found that some information was missing from the council’s records.

In this regard, she continues working with local attorneys and certified accountants to determine the best course of action and will provide her recommendations for the council’s Board of Directors.

As a member of the Hawaiian Civic Club of Honolulu, she is their scholarship trustee and has held the positions of Past President, Board of Director, and Holokū Ball chair. In addition, she is actively involved with Hale O Nā Ali‘i O Hawai‘i, Ka Lei Papahi o Kākuhihewa and is an active kūpuna in our community.

Ke One O Kākuhihewa is honored to bestow the Kukui Lama Kū recognition for 2022 upon Maluhia Kauahi.
Nāhonoaʻo Piʻilani (Maui Council) is proud to recognize Carmen Hulu Lindsey as its 2022 Kukui Lamakū honoree.

She is a long-time active member of the Central Maui Hawaiian Civic Club. In support of the Maui Nui community, she has hosted the Maui Hawaiian Agencies and Organizations (HAO) regularly to provide a space for Native Hawaiian organizations to share information about their services and to network in support of the Native Hawaiian Maui Nui community.

During the pandemic she secured funding to provide meals to children who no longer had access to the school free lunch program. Aunty Hulu continues to support the Native Hawaiian Scholarship ‘Aha that was started on Maui and has extended statewide to provide information about scholarships for Native Hawaiians.

She has represented Maui as an OHA Trustee since January 2012. She is current chair of the OHA Board of Trustees. She also has been a long-time member of the ‘Ahahui Ka‘ahumanu. She is a Hawaiian recording artist.

In addition, she is a former properties administrator for Maui Land & Pineapple Co. as well as the former administrator for the County of Maui’s Land Use and Codes Division.

Nāhonoaʻo Piʻilani is proud to recognize Carmen Hulu Lindsey” as their 2022 Kukui Lamakū honoree.

HE WAHI MAHALO!

On behalf of the Kukui Lamakū Committee, I would like to take this opportunity to thank every one of you for your dedication and service to the Association of Hawaiian Civic Clubs. Our work here is vital as we continue advancing our lāhui.

Congratulations also to this year’s Kukui Lamakū honorees. Your service and dedication to our civic club movement continue to serve as an inspiration to many—Mahalo for all that you do to perpetuate the legacy of Prince Jonah Kūhiō Kalaniʻanaʻole.

First, I would like to mahalo my predecessor, the late ‘Anakala Ike Kaʻaihue, for his many years of service to the Association and this committee. ‘Anakala Ike first asked me to join the committee in 2016 as the co-chair to serve under his tutelage and guidance.

**Star Spangled Banner**  
*Francis Scott Key*

O! say, can you see,  
by the dawn's early light,  
What so proudly we hailed  
at the twilight's last gleaming:

Whose broad stripes and bright stars  
through the perilous fight,  
O'er the ramparts we watched  
were so gallantly streaming,

And the rocket's red glare,  
the bombs bursting in air,  
Gave proof through the night  
that our flag was still there;

O! say, does that Star-spangled  
Banner yet wave  
O'er the land of the free  
and the home of the brave
