Welcome to the XVII Annual Convention of the Association of Hawaiian Civic Clubs.

Your Association continues to grow. There are thirty-eight chartered clubs---two to be chartered at this Convention, a new one being organized in Windward Oahu, and three in the early exploration stage on the Mainland.

Healthy growth with definite purpose demands increased responsibility from those the membership elect as officers.

I encourage all members to work willingly with your leadership to allow your Association and component clubs to continue to move forward positively in pursuit of common goals.

There are many areas that need our attention; such as ---

securing quality education relevant to the needs of society,

preserving what remains of Hawaii,

reinstitution of faith in sound representative government.

With the continued interest and support of the membership, your Association officers look forward to another good year.

George H. Mills, M. D.
President
ALOHA!

It is my privilege and my pleasure once again to extend personal greetings to the delegates and guests assembled for the annual meeting of the State Association of Hawaiian Civic Clubs.

Entering into a new era of political life in Hawaii, we realize that in many instances we face problems that have not yet been solved, and that in many cases these problems are those of all our people. A changing Hawaii has brought complexities we did not have a decade ago, and they are intensified by economic deterioration throughout the Nation. I welcome your assistance in determining the best paths for Hawaii in preserving a society you have done so much to build.

Your leadership is appreciated, respected and supported throughout our community. On this occasion celebrating your Association's 17th Annual Convention, I join you in rededicating ourselves to the task of nurturing and promoting the rich Hawaiian heritage that has provided the tone of our society.

I salute you and extend to all officers, delegates and guests of your convention my very best wishes for the continued success of your mission.

Mahalo,
MESSAGE FROM MAYOR EDUARDO E. MALAPIT

17th ANNUAL CONVENTION
JANUARY 30 - FEBRUARY 1, 1975

It is with the greatest pleasure that I extend Kauai's warmest welcome and Aloha to the members of the Association of Hawaiian Civic Clubs on the occasion of your 17th Annual Convention. The County of Kauai appreciates the opportunity to host your convention.

All of your organization throughout the State of Hawaii and California have worked diligently and enthusiastically to promote the welfare of their respective communities and especially those people of Hawaiian descent. Your work in Hawaiianiana has consistently been outstanding. I know that you will continue your good work in furthering your communities and uphold the proud heritage of Hawaiianiana.

May I also take this opportunity to welcome those visiting the Garden Isle, and we sincerely desire that your stay will be most enjoyable one.

My best wishes for a most fruitful and successful convention.

CLUB ACTIVITIES AND ACHIEVEMENTS

Membership in the Association of Hawaiian Civic Clubs was approved on April 6, 1974. A typical Hawaiian installation ceremony was held for its first Board of Officers.

We recognize the need for Hawaiians away from home to be part of the Civic Club establishment in order to keep our heritage and culture as a living, vibrant force. Membership for the first year totalled some sixty members.

Established a scholarship fund to assist Hawaiian students here of all ages and grade levels in their search for education. Also established a system whereby Ahahui could assist Hawaiian students who are coming to the Mainland for the first time in getting oriented and settled, especially those who intend to stay in Northern California and also those who are passing through and would need help while they are in the San Francisco area.

Activities to date have been a family picnic, and two highly successful fund raising events—a tennis tournament and a garage sale.

Sponsoring a Royal Holoku’u Ball on February 15th commemorating the date of His Majesty’s the late King Kalakaua, ascension to the throne. We invite our island HCC members to join us for this event.
