It is a pleasure for me to welcome all of you to our 21st Annual Convention.

As we meet on this beautiful Valley Isle, truly Maui No Ka Oi, we can count our blessings for a successful and fruitful year. You have made me proud to be your President for the past three years. Our Association, 42 clubs strong, continues to move ahead toward achieving our goals and objectives. Interest in Hawaiianana continues to grow - largely through your efforts and enthusiasm. Our young people are exhibiting pride in their native heritage and eager to learn of their cultural background. Hawaiians are no longer hesitant to "stand up and be counted."

This year's convention theme, Ka 'Ike, No'eau, Ho'olala - Eo O Ka Ho'ona'auao (Knowledge, Wisdom, Insight - The Gains of Education)", is truly appropriate as we strive to keep abreast of what is happening in this very important field.

On behalf of the officers and members of the Board, I thank you for your-kokua during the past year and look forward to working with you this coming year. Thank you for coming - have a good time - enjoy all the many wonders that Maui has to offer - and let's make this the best Convention ever.

Me ke aloha pumehana,

Whitney T. Anderson, President

MESSAGE FROM GOVERNOR GEORGE R. ARIYOSHI
ANNUAL CONVENTION OF THE ASSOCIATION OF HAWAIIAN CIVIC CLUBS

May 3-5, 1979

I am pleased to extend to all the officers and members of the Association of Hawaiian Civic Clubs my congratulations and best wishes as you hold your annual convention in Baldwin High School Auditorium on the Valley Isle, May 3 to 5, 1979.

The theme of your convention this year is Ka 'Ike, No'eau, Ho'olale - Eo O Ka Ho'ona'auao (Knowledge, Wisdom, Insight - The Gains of Education). This is, indeed, a noble theme, entirely consistent with the heritage of old Hawaii and the needs of our changing State. Education is a golden key to greatness when it is properly understood as the unfolding, development and enrichment of the whole person. It is in developing a deep appreciation of what is past that we gain the wisdom to plan the future.

Your convention will bring together many people who are living treasures of wisdom, knowledge and insight. They are educated in the noblest sense of that word, and they will have an opportunity to share their education with others. And as they share, they gain a deeper understanding of life and the meaning of aloha.

We hope your Maui convention will be a great success, and that your Association will be strengthened by this coming together and working in unison for the betterment of our Island people.

1979 President, Gard Kealoha
Sixty two years ago, Prince Jonah Kuhio Kalanianaole and a group of prominent native Hawaiian leaders formed the Hawaiian Civic Club of Honolulu and dedicated it to the High Ideals of Service and Aspirations befitting a proud heritage of the first people of this land. Our concerns include the welfare of our kupuna with our Na Kupuna day as well as the need to keep informed so that the correct decisions may be made through meeting a wide variety of community leaders. The education of our youth remains a paramount concern. Generations of community, state and national leaders have emerged with the assistance of the Honolulu club's Scholarship Fund, generated by the generous community support of our traditional Holoku Ball. Our annual hula poi picnic salutes our scholarship recipients. We take justifiable pride in maintaining a leadership role in providing for the best educational experiences for our excellent youth.

Aloha and Best Wishes
