TO: THE ASSOCIATION OF HAWAIIAN CIVIC CLUBS

I am pleased that your organization chose California as the site for this year's annual convention. We are particularly honored since this is the first time your convention has been held outside Hawaii.

People of Hawaiian descent have made many contributions to our state. The "Ahahui O Lili'uokalani of southern California and the 'Ahahui Kalakaua from the bay area have not only helped to maintain Hawaiian heritage and culture among Hawaiian people living in California, but also have given other Americans an opportunity to share and learn from the rich Hawaiian traditions.

I salute the members of the Association of Hawaiian Civic Clubs and extend my best wishes to the more than 50,000 Hawaiians residing in the state of California.

Sincerely,

EDMUND G. BROWN JR.

The dedication of our members with respect to the objectives and goals of the Kaumualii HCC have gained us the reputation of being an active civic minded club whenever there is a need for Hawaiiana, in and outside of our community. We have participated in numerous activities such as: 1) Kekaha School - demonstrated lei stringing with fresh flowers, seeds and island nuts, pounding poi, making Hawaiian salt, sewing Kapa patterns, playing of the Hawaiian instruments and modeling of the Pa'u attire; 2) Na Pua O Hawaii Spring Festival - participated in the Hoike Program as Kupunas; 3) Hanalei Hoolaulea - demonstrated poi making, stringing of Niihau shell leis and lauhala weaving. As a result of these demonstrations our club has been invited to perform twice a week at the new Hawaiian Village in Wailua. Club members were invited to present our program to three separate convention groups at the Kauai Surf Hotel. The conventioners and the hotel guests were so impressed and facinated with our program that they voluntarily donated to our scholarship without any solicitation on the part of our members. Other activities includes entertaining at various functions, such as the dedication of the historic "Paulo" a little German locomotor from the Grove Farm Plantation in Lihue, serenading 23 residents of the Kauai Care Home in Waimea on Mother's Day, the annual King Kaumualii Memorial Service in the Waimea Hawaiian Church, Prince Kuhio King Kamehameha Day Parade and the Waimea Parish Luau for Rev. McGee and guests. Our activities also found us decorating the Kalaheo Senior Citizen Center, providing maile leis for the youth conference, conducting & hosting a lei contest, and most important, our annual scholarship luau/concert. Entertainment at this fundraising project was provided by 24 members of the Hawaiian Electric Glee Club of Honolulu under the direction of Mrs. Martha Hohu. We greatfully extend our appreciation to the Hawaiian Electric Glee Club for their generous kokua during the past three years.

This has been a very busy year for the Kaumualii HCC, and while all of these activities were going on, another group took the job of preparing condominiums for occupancy in Poipu to raise money to send our delegates to this annual convention. Aloha no!

In anticipation of a very exciting year, with the Anaheim Convention, the formation of the Office of Hawaiian Affairs and renaissance of Hawaiian activity, the Waialua Hawaiian Civic Club diligently worked towards raising funds to participate in this years activities. Members proudly celebrated our club's 47th anniversary with a potluck dinner & general membership meeting.

Among the many fundraisers were laulau sales, garage sale, stew plate sale at the 1981 Ho'ike'ike Ho'olaulea, and the annual scholarship dinner.

A graduate's social was held to honor the graduating high school seniors from the Waialua district. Under recommendation from our competent scholarship committee, $3,000 in educational scholarships were awarded to the 1981 grads.

As in the past, club members gave of their time to man food booths at the Waialua Country Fair, a function that generates funds for athletic youth programs in Waialua.

Annually, our club hosts a "White Christmas" party for children of Waialua and distributes food baskets donated by members to needy Hawaiian families.

My sweetheart in the rippling hills of sand
With the sea rustling the pebbles
There, the memory is impassioned
In the forest where we delighted.

The gentle rustle of the sea
Softly in the pleasant center

The Pu'ulena wind passed by
You've lost your chance, o friend
