47TH ANNUAL CONVENTION

ʻŌHĀHA KA HUA

KŪPUNA

BECAUSE OF THE FRUITS OF THE KNOWLEDGE OF OUR KŪPUNA, WE FLOURISH

October 22 - 29, 2006·Waikiki Beach Marriott Resort and Spa·Honolulu, Hawaii
In Appreciation

John Ka`imikaua was both friend and mentor of the Hawaiian people, on both sides of the ‘divide’. He had the extraordinary gift of being able to cross over, from time to time, to commune with the ancients, and to share with us, the living, the thoughts and concerns of those who had passed on.

John founded Ka Hula Piko, the annual international hula festival at Ka`ana, on the island of Moloka`i, where the hula was born. He was a gifted haku mele, and kumu hula of Hālau Hula O Kukunaokalā, with hālau on both Moloka`i and O`ahu.

John assisted the O`ahu Council of Hawaiian Civic Clubs in planning for the AOHCC Convention 2006. He created the theme and designed the artwork for the Convention booklet, brochure, and t-shirt: `Ohāhā Ka Hua Kūpuna, Because of the fruits of the knowledge of our kūpuna, we flourish. In explaining the design, he noted that the ho`opapa, the foundation, is made up of eye shapes, and represents the ancestors, thick and layered in unison. On this foundation lies kāe le`i maile, with our ancestors on one end, and ourselves, in the present time, on the other. We are woven together, joined through genealogy. The spiral figure at center-right represents birth, the beginning. It connects us, kanaka maoli, from time immemorial and into the future. It is our journey of discovery and of being, the offshoot of those who came before. In our behavior we express our willingness to learn from and stand on what our ancestors have laid out for us: aloha, kuleana, pono, mālama, the fruits of the knowledge of our kūpuna.

We were blessed to have John Ka`imikaua mentor us through this process of learning, and providing guidance for us to share what we learn with our membership as we journey toward nationhood.

Ua hala, o Kumu John Ka`imikaua

Aloha Kakou,

On behalf of the Board of Directors of the Association, I welcome you back to The Waikīkī Beach Marriott Resort and Spa "our home away from home". This is our third convention at this hotel. Let us all reacquaint ourselves with Waikīkī under the watchful eyes of our founder, Prince Jonah Kūhiō Kalanianaʻole as we welcome Lono-i-ka-makahiki at the start of the makahiki season.

The Oahu Council has put together outstanding pre-convention activities for all to enjoy and to reconnect with our kūpūna as we continue to strengthen the values of wisdom for the future..."Hoʻikaika ka waiwai naʻauao o na ʻoiwi". There are some workshops and activities that are not in your brochure so please make note and try not to miss them.

The Association continues to grow, even with the merger of four clubs into two! We will charter at least three new clubs at this convention and reinstate the charter of the Lanaʻi Hawaiian Civic Club. Hoʻomaikaʻi, clubs who have increased your membership this year!

The Association’s Officers and Committee Chairs have worked hard all year. We held a successful Education Summit, completed an Economic Development Survey and sponsored a Puwalu No Na Laʻelua. This first Puwalu provided a forum for our distinguished Kūpūna, practitioners and experts to discuss and share the cultural practices of the lauwaiʻa (fisherman) and the māhāi (farmers) from the ahupuaʻa of all forty-five moku in our Hawai‘i Archipelago and mokumanamana. Native Hawaiian Kūpūna and practitioners came together to share the knowledge of our ancestors and restore and perpetuate our Hawaiian Way of life in honor of our ancestors, Hoʻohanohano I Na Kūpūna...."Honor our Ancestors".

We were granted $1,000,000 from the Legislature this year for our building. We will be breaking ground in early 2007. We are very close to reaching our goal of 500 pledges for our Prince Kūhiō Federal Credit Union.

We gather this week to honor our Kūpūna "Ohaha Ka Hua Kūpūna: Because of the fruits of the knowledge of our Kūpūna, we flourish". Federal recognition and nationhood continue to be compelling issues confronting Hawaiians and the community at large. In honor of our kūpūna we will continue to work for the physical, social and economic health of our people, and to educate ourselves and the people of Hawai‘i about our Hawaiian Nation. We must work even harder to move towards nationhood. Ma Ka Lokahi Ka Ikaika “In Unity there is strength.” As an Association we must maintain our unique differences as individuals, as a people, while remaining united in commitment to our causes. E Alu Like Mai Ka Kou E Na Oiwi O Hawai‘i....Let’s work together people of Hawai‘i.

O wau me ka haʻahaʻa,

Antoinette “Toni” Lee

Message from Governor Linda Lingle and Lt. Governor James R. "Duke" Aiona, Jr. presented to the

THE ASSOCIATION OF HAWAIIAN CIVIC CLUBS
OCTOBER 22-29, 2006

On behalf of the people of Hawai‘i, we send our greetings of aloha and welcome everyone gathered at the Waikiki Beach Marriott Resort and Spa for the 47th annual Association of Hawaiian Civic Clubs Convention.

The contributions of our Hawaiian civic clubs can be traced back to 1918 when Prince Jonah Kuhio Kalanianaole formed the first community-based grassroots Hawaiian organization in our islands. His vision of a coalition of Hawaiian civic clubs still lives on today.

This year’s theme is ʻOHĀHĀ KA HUA KŪPUNA, “because of the fruits of the knowledge of our Kupuna, we flourish”. The message of unity calls upon 51 Hawaiian civic clubs to gather in order to discuss issues facing the Hawaiian people and the community.

We extend our sincere gratitude to the dedicated staff and volunteers who work so hard to ensure the success of this important event year after year.

Aloha,

Linda Lingle
Governor, State of Hawai‘i

Lieutenant Governor, State of Hawai‘i
MESSAGE FROM MAYOR MUFÌ HANNEMANN

Welina me ke aloha e na hoa makamaka o na ahaui siwila Hawaii mai ka moku o Keawe a i ka mole o Lehua a hiki loa aku i ka moku honu kahi i nee ai ko kakou poe ohana. Aloha kakou.

As the first Honolulu mayor of Polynesian ancestry in 40 years, it is a great pleasure to welcome the members of the Association of Hawaiian Civic Clubs on the occasion of your 47th annual convention.

The Association of Hawaiian Civic Clubs has a long and distinguished record of success in promoting and perpetuating the host culture of Hawaii. Your work in providing educational scholarships to Native Hawaiian students has been outstanding, enabling countless young people to complete their college educations and serve their communities. We also applaud the work that you have performed over the years with the legislative bodies of the state, federal and county governments. Through your perseverance, laws affecting Native Hawaiians have been initiated for the betterment of everyone in the islands.

The people of the City and County of Honolulu join me in wishing you a productive and successful convention. May the spirit of fellowship and your many achievements inspire you to continue to work together to make our Honolulu, our home, a better place to live. Ha aheo no o Honolulu.

CLUB ACTIVITIES AND ACHIEVEMENTS:
The Ahahui was deeply saddened, and Hawaii lost a great cultural treasure, when John Ka‘imikaua passed away on June 7, 2006. John had been cultural advisor for the ahahui since its beginnings, conveying profound insight and understanding with regard to the ahupua‘a of Honouliuli, the Ewa Plains, Makakilo and Palehua. The Ahahui consulted with Kumu John often, especially on projects dealing with the aina and spirituality, and he shared generously. For all his brilliance, Kumu John was a humble man, who spoke thoughtfully in a calm and patient voice. It is an understatement to say that he will be missed, but we will do our best to carry on the lessons that he taught us. Aloha Kumu, mahalo nui loa.

At our Ahahui installation dinner in January, the Ahahui was fortunate to have as keynote speaker State Senator Colleen Hanabusa, Chair of the Senate Judiciary and Hawaiian Affairs Committee. The Senator made it clear that if Hawaiians want to
have a say in the affairs of the State, a basic key is to utilize our high population numbers and get out the Hawaiian vote.

As installing officer, Robin Danner, President of the Council for Native Hawaiian Advancement, spoke movingly of the need to trust one another, the challenges ahead for Hawaiians and the need to be involved in civic processes. She charged the incoming officers and directors with the responsibilities of leadership, and always remembering to call upon our kupuna for guidance.

The Ahahui continues its schedule of activity in the community that includes participation in public hearings as West Oahu grows and develops. We are starting to reach out to residents moving into the new Hawaiian Homestead area of Kapolei, inviting them to become members and to participate in our activities. We anticipate the University of West Oahu being launched in the center of Kapolei in the next few years and will press for Hawaiian Studies on the curriculum.

Shad Kane, Ahahui immediate past president, has become established as resident historian for the ahupua’a of Honouliuli, gathering a faithful following as he regularly tells area legends at the new Kapolei Library. The kahili made for Mr. and Mrs. James Campbell by the Ahahui, are an awesome presence in the Campbell Room of the library where Shad addresses children as well as adults.

For the fifth year, the Ahahui has worked with the Putney Educational Travel Group hosting students from the Continent who come to Hawaii to travel, study and learn Hawaiian culture. The students assist with work in the Ahahui native garden, or help maintain the Palehua heiau, then are treated to a beach luncheon where they learn a Hawaiian craft taught by Ahahui members.

On behalf of the Ahahui, members Kala Holden and Melissa Lyman are in their eighth year of providing annual cultural orientation to new military spouses at Hickam AFB. Started as a casual filler, cultural background has become an important segment of the newcomer orientation program.

Each year the Ahahui has provided backpacks filled with school materials to area children identified by social workers of the Queen Liliuokalani Children’s Center. Similarly, the social workers identify families who annually receive Thanksgiving dinner and Christmas presents from the Ahahui.

One of the Ahahui’s most important commitments has been to the higher education of Hawaiian students through our scholarship program. This year we awarded scholarships to recipients majoring in bio-chemistry, natural science, elementary education and mechanical engineering, among others.

Pu’u Kapolei is the piko of the new city, and Ahahui members established a native garden around the base of the Pu’u just as the Kapolei Regional Park was being developed years ago. Area school children take regular escorted tours through the garden to learn the names and uses of native plants. We also work in collaboration with the City and County on the development of components in the park, in particular, the new hula mound.

The Ahahui worked hard during a three-day retreat to create a strategic plan as a timeframe and budgetary guide for designed Ahahui development. As a recognized charitable organization, the strategic plan is helpful in filling out grant writing proposals for the Ahahui.

It is with these accomplishments in mind that we submit this summary to be included in the convention booklet. It gives a basic picture of our Ahahui’s thirteenth year of existence as a Hawaiian Civic Club. We have had successes and failures, but we proudly keep striving on behalf of our heritage. To paraphrase Robin Danner: “We stand together on the brightest of days, and the darkest of nights.”

That is our Ahahui. A hui hou.

CLUB ACTIVITIES & ACHIEVEMENTS
The Hawaiian Civic Club of 'Ewa, was founded
May 4, 1948; the Pu'uloa Hawaiian Civic Club was
founded September 16, 1964.

These two Hawaiian civic clubs decided to do a
friendly merger. This was the first venture of any
Hawaiian civic club within the Association and
Council of the Hawaiian Civic Clubs.

After five years, 'Ewa-Pu'uloa Hawaiian Civic Club
has increased it membership
eighty-five percent; president Ethelreda Kahalewai
was chosen as one of the honorees for the Hawaiian
Civic Club of Honolulu’s Annual Holoku Ball in
2006, which benefits their scholarship fund; we
participated in the AOHCC Prince Kuhio Parade;
received a grant from Hawaii Ma'oli through its
Ho'olako Na Kiwi Hawai'i Program; participated
in the Pride 4 'Ewa sponsored by Gentry Homes
where members registered voters for the upcoming
state and county elections; they also registered
Hawaiians for Kau Inoa and acquired new members
for our civic club. Every quarter our civic club
assist in the cleaning of the Chapel at Mauna Ala.

An interesting item for our club is that we have six
members in the state of Oregon!

On a sad note, Leimomi Mae Tamboan, a new
member has passed on.

At this 47th convention, 'Ewa-Pu'uloa HCC will be
the facilitators for Information and Activities. We
continue to move on to new challenges and
accomplishments.

CLUB ACTIVITIES AND ACHIEVEMENTS:

Most Memorable Club Activity of 2006 and why:
The club membership’s most memorable club activity was the annual scholarship fundraiser Holoku Ball 2006 “Mai ka ipu ho’oilina mai na kupuna mai”: The child is the inheritor of the remotest ancestor. The Holoku Ball theme offered up by honoree John Keola Lake, celebrates our youth and their connection to their distant kupuna. The ball also gave us the opportunity to honor club members Kupuna Aunty Ethelreda Kahalewai for her outstanding haku hulu (traditional Hawaiian featherwork feather master) and her significant contributions to native arts, along with Mary Smith, an HCCH member described as a strong “behind-the-scenes support of the club”. For decades, the Hawaiian Civic Club of Honolulu has produced their gala event – the Holoku Ball – to not only preserve the fashion elegance of a bygone era, but to create an event like no other to raise scholarship funds for Hawaiian students. Now an annual event, the Holoku Ball raises tens of thousands of dollars each year, thanks to the support of individuals, corporate sponsors and a cadre of hard-working volunteers. The proceeds generated from this event has assisted over 1500 talented and deserving Hawaiian students in pursuing their educational endeavors at colleges and universities in Hawai’i and throughout the Mainland. Another aspect of the Holoku Ball is that all of our club members, adults and students to include scholarship recipients come together and work as a team to market the ball, solicit donations for the silent auction, manage the budget, decorate the room and prepare for the ball in the evening. This time provides our club with opportunities to mentor the students and scholarship recipients in planning and implementing an activity that will help them to develop hands on experience in leadership, teamwork, fellowship and celebrate the success of the ball.

Club Activities of 2005-2006:
Increased membership with 15 new members.
Club members attended Ali’i Sunday services throughout the year 2006.
Club members also participated in various hearings regarding Hawaiian entitlements and rights that were challenged throughout the year.

August 2005 – HCCH provided 48 students with scholarship funds. (13 graduate applicants, 34 undergraduates and one medical student) HCCH had a cultural day picnic at Bellows Beach Park. Rick Barboza, owner of Native Plants Nursery provided a presentation of the different native plants, Pita Sala and his brother demonstrated and taught coconut frond weaving for the members and Ukulele lessons were provided along with community singing of Hawaiian music. Great weather, ono food and friends and family working together in fellowship.

September 2005 – Members attended a briefing on Foster care of Native Hawaiian Children conducted by Kokua Ohana Group. The briefing helped our club members to create a resolution for convention to support foster care of native Hawaiian children. In support of the Kamehameha Schools admission policy issue, TB Lyons donated 100 flower leis for the participants in the March for Justice in San Francisco on August 20th. Club members Leatrice Kauahi and Leimomi Khan participated in the march and were very proud to represent our people
of Hawaii. Both traveled on their own time and cost to be a part of this great effort to support Kamehameha Schools.

**October 2005** – HCCH hosted a Resolutions meeting for the Oahu Council Members. The gathering provided the opportunity for all clubs to be familiar with the resolutions being presented at convention. The event was very successful and all who attended were very appreciative. Tomi Chong and Louise Gerboc were the HCCH recipients of the Helen C. Kane Award. The award acknowledges individuals for their personal commitment, support, participation and leadership roles within the Civic Club movement.

Our members also provided new or “gently used” stuffed animals, story books and small toys for children who go to Family Court and are there because of unhappy, unpleasant and at times painful circumstances. This outreach effort continues to be a priority for our clubs members to support. Our club delegates, alternates and members experience a wonderful time at the 2005 AOHCC Convention in Kohala. Meetings were attended by delegates and alternates and overall we had a wonderful convention and some challenging issues. All resolutions supported by HCCH were passed.

HCCH’s Kaiolohiaomamala Choir did a great job in the Aha Mele competition. Big Mahalo to all of our officers, board members and membership for all of the hard work to make the convention a success. Congratulations to Club members Joann Tsark who received the Kalaniana’ole Award and Leatrice Kauahi who was a nominee for the Ka Po’okele O Kuhio Award. Marlene Ebeo is also the First Certified Elite Cruise Counselor in Hawaii.

**November 2005** – HCCH members attended the Oahu Council of Hawaiian Civic Club’s Third Annual Makahiki Celebration at Hickam Air Force Base. A great cultural experience for our club members. Our club’s bake sale fundraiser was a smashing success during club member Nake’u Awai’s Christmas Faire. We had a significant amount of baked goods to support our fundraiser.

**December 2005** – Our club’s Christmas Party was a great success. Leatrice Kauahi, her parents Dorothy and John Williams hosted a wonderful gather at their home in Aiea. Lots of members, friends and family attended – ono food, gift sharing, singing of Christmas songs – Everyone had a great time. Election of officers and board members was conducted at the event.

**February 2006** – New Officers and Board of Directors for 2006-2008 were installed. The event was held at Tree Tops in Manoa and it was a wonderful time of sharing and fellowship. Our club goals for 2006-2008 is to increase membership, continue to be actively involved in our civic responsibilities to work for our Hawaiian people to excel in education, improve the quality of life of our people and teach our culture, traditions and music.

**March 2006** – Holoku Ball 2006 was a great success, Mahalo to Reynold Freitas and Lei Durante, Chairpersons of the event and Leatrice Kauahi Assistance Chairperson for a job well done. Members of our club attended the various Prince Kuhio Month Festivities. The AOHCC 1st Luau was a wonderful pa’ina and nice to time visit with old friends, and to make new friends throughout the association. Anita Naone and Leatrice Kauahi participated in the PKK Parade. Lots of fun greeting friends, family and visitors along the parade route. Other participates were Pat Schmidt, Momi Khan, Pamai Tenn, Richard Miller, Alapai Andrews and Makana Toledo. HCCH was responsible for the Alii Sunday and Mauna’ala Services in honor of Prince Kuhio’s Birthday. Club members Pua Wihelm and Aunty Margaret Boyd provided us with good insight in the life of the Prince Kuhio at the Kawaiahao Services and Hula Halau O Hoakalei under the auspiciies of Poni Kamauu and his wonder family provided their hula in honor of Prince Kuhio at Mauna’ala. Royal Societies, other Civic Clubs, friends and family also joined us at Mauna’ala.

**July 2006** – The scholarship committee has awarded 48 scholarships this year. 3 Associate Degree students, 31 undergraduates, 13 graduate level students and 1 medical student. Congratulations were sent to all. We wish them great success. HCCH members participated in the Kau Inoa Registration table at the 1st Aha Kane Conference held on Kamehameha Schools campus.

**August 2006** – Our club is preparing for convention. Mahalo to everyone throughout the association for their support this past year. Until next year. A Hui Ho. Malama Pono.

CLUB ACTIVITIES AND ACHIEVEMENTS:
Most Memorable Club Activity of 2005 and why:
January 30, 2004 Ka Lei Maile Ali‘i: The Queen’s Women

The club’s hallmark production has been, and continues to be, the drama titled Ka Lei Maile Ali‘i: The Queen’s Women. As noted in the past, this is a re-enactment of a gathering at the Salvation Army Hall in Hilo in 1897, taken from an article in the San Francisco Call newspaper. The drama recounts the support of the Hawaiian people, in particular Mrs. Emma Aima Nawahi and Mrs. Abigail Kuaihelani Campbell of Hui Aloha ‘Aina O Na Wahine, for the Queen and their resistance to annexation of Hawaii to the U.S.

The club performed the play in Los Angeles, in Hilo and Kona on the island of Hawaii, and throughout Oahu Island, including Pu‘uhonua o Waimanalo. The play was well received in each locality.

Club Activities 2005:
- Participation in the Native Hawaiian Coalition meetings
- Presentation of Ka Lei Maile Ali‘i: The Queen’s Women at Pu‘uhonua o Waimanalo, for Alu Like staff at their downtown office, and at various locales throughout Oahu, Hawaii Island, as well as in Los Angeles
- Participation in Living Nation ceremonies to honor Queen Lili‘uokalani

CLUB ACTIVITIES AND ACHIEVEMENTS:
Kailua Hawaiian Civic Club raises funds for Hawaiian student scholarships throughout the year and is co-curator of Ulupo Heiau with Aha Hui Malama I Ka Lokahi. Under the direction of Dr. Chuck Burrows members at monthly workdays enjoy restoring the ancient lo‘i kalo at Ulupo and native plant restoration efforts at Na Pohaku o Hau Wahine.

This year our Hawaiian culture workshops entitled, “Na Waiwai o Kawai Nui” explores art inspired by the many treasures of Kawai Nui complex. Our kumu hula Malia Bird Helela led our recent haku mele workshop where we wrote the following song:

**E HO‘I KE ALOHA I KAILUA**
Hanohano Nu‘uanu i ka ua Ki‘owao
I ka wai hulialana a ka lani
Ku i ka lani na mauna 'kolu o 'Olomana
He ho'a'ilona ia o ka home aloha 'ia
Aloha 'ia o Maunawili e na lani
Ho'omaluhia i na ulu o ka 'aina
He 'aina la'a o Ulupo i ka wai a Kane
Na Hauwahine e pale i na wai nui
Nui na wa'iwai kau i Pamo'o
K'aani ka la hiki ola i ka poli o Kalama
Lamalama Mokapu i ka po anu
Hea mai o Ku'au e ho'i i ka pono
E ho'i ke aloha i Kailua
Aia ka ha'ina i ko makou aloha 'aina

**LET LOVE RETURN TO KAILUA**
Glorious is Nu'uanu in the Ki‘owao rain
In the cleansing waters of the heavens
The three peaks of 'Olomana stand in the heavens
They are a symbol of a beloved home
Maunawili is beloved of the heavenly ones
The riches of the land are held protected
Ulupo is a sacred land rich with the waters of Kane
It is Hauwahine who will protect the great waters
Great are the resources placed at Pamo'o
The life giving sun beckons in the embrace of Kalama
Mokapu is a beacon in the bitter night

Ku'au calls us to return to the proper ways
Let love return to Kailua
The story is found in our love of the land

Kaluanui State Park, previously known as Sacred Falls park, remains closed. KHCC is pressing the State of Hawaii to complete the risk assessment studies and allow our access to Kaliuwa’a. On May 13 our members were allowed limited access for the purpose of our rededication to malama Kaliuwa’a. Hala, kukui, and fern were planted, and special chants and dances were performed by 'opio, followed by pa’ina. The State has been notified that KHCC is planning to present ho’okupu at Kaliuwa’a in the near future.

Five $500.00 scholarships were awarded to Lorna Kekua, Mahinahina Johnson, Peter Mattoon, Christopher Newhouse, and Heitiare Wallace.

Funds are derived from sales of inamona, chutney, jam, boat lei for the Pacific Yacht race, and catering projects. These projects require the willing and talented hands of all members.

A decorated vehicle and Halau O Keaunui marching unit supported the Prince Kuhio Kalaniana’ole Parade. Member Rebekah Luke supervised the “boat lei” making that were used to decorate the club car and O’ahu Council car.

Ho'oulu Hou: Stories Told By Us project is nearing completion. Eight books have been distributed to 500 families in Ko’olauloa. The final set of four books are ready to go to press and will be distributed soon. Member Ululani Beirne-Keawe wrote the third book for KHCC titled Makali‘i Sleeps. It is hoped that books will be released for sale soon. Profits realized from sales will benefit early education in Ko’olauloa. KHCC has committed to assist in the next phase of book writing that will target special needs children. We are very proud of the contribution we have made to our community through this project.

CLUB ACTIVITIES AND ACHIEVEMENTS:
The Ko’olaupoko Hawaiian Civic Club completed a
full schedule of activities and community
participation throughout the year, re-energized by
the merger of Ko’olaupoko and the Kualoa-He’eia
Hawaiian Civic Clubs in late 2005.
Among the activities carried out by the club were
consultations on the State Tourism Plan, comment
for the State Tourism Authority, the Hawai’i
Institute for Marine Biology, the U.S. Navy, as well
as the cultural consultations for a number of
residents.
Club members participated in a number of
conferences such as the Native Hawaiian Tourism
Conference, the State’s Cultural Summit, the Native
Hawaiian Education Summit, the Environmental
law seminar, the Advisory Council for Historic
Preservation workshop, the Hawai’i 2050
Substainability Kickoff event, and the ahupua’a
puwalu sponsored by the Association of Hawaiian
Civic Clubs.
Club members coordinated the Mokapu Makahiki
ceremonies and the Kaiaulu Forum: Our Place in
the Ahupua’a, sponsored jointly with OHA and
Windward Community College.
In addition, the club provided photo displays of
wahi pana o Ko’olau for the History Day Exhibit at
the State Capitol, attended a proclamation-signing
ceremony marking State Historic Preservation
Month at the Governor’s Office, and attended a
reception at Washington Place celebrating Historic
Preservation Month.
The club applied for various grants during the year,
including a capacity-building grant request
submitted to OHA via Hawai’i Maoli, and a smaller
cultural program grant submitted to Hawai’i Maoli.
The smaller grant provided funding for sponsoring
the club’s ahupua’a forum: “Our Place in the
Ahupua’a,” attended by many community leaders,
business and government representatives, and the
public.
Ko’olaupoko Hawaiian Civic Club participated in
OHA’s Kau Inoa registration program and in
Hawai’i Maoli’s Native Hawaiian Voter
Empowerment Initiative, conducting voter
registration at the Slack-Key Festival, the Ahupua’a
Forum, and the Halawa Xeriscape Garden Unthirsty
Plant Sale.
Club leaders also met with Sen. Daniel Akaka,
OHA Chair Haunani Apoliona, Micah Kane, and
others regarding the Ha’iku Valley Cultural
Preserve; met with representatives of Gov. Linda
Lingle regarding Ahu O Laka; and presented their
cultural preserve plan before the members of the
Hawaiian Homes Commission.
They held a Diabetes Awareness workshop and
voter registrar training for their members, and
provided a special tour of Nu’uanu Pali and
Waihe’e ahupua’a for conferees at the Cultural
Summit.
The club successfully lobbied the 2006 Legislature
for the passage of SB 2004, relating to protection of
Ahu O Laka, and HCR278, supporting cultural
preserves in Ha’iku and Halawa Valleys.
They completed a major fundraiser in July, which
funded scholarships for island college students- a
total of 34 applications were submitted to the club’s
scholarship committee.
The club responded to various news media
questions regarding the impact of a military project
on the wao akua of the Ko’olau mountains between
Halawa Valley and Kane’ohe.
The Ko’olaupoko Hawaiian Civic Club has
continued its effort to raise public awareness and
educate the Ko’olaupoko communities about the
history and heritage of the nine ahupua’a
represented by the civic club, by giving tours and
talks for residents and students, and initiated
planning for development of an ahupua’a training
program to be implemented next spring.
Members continued their on-going service work by
cleaning Kawa’ewa’e and Puwaini’ani’a Heiau in
Kane’ohe and Kukuianiani Heiau in Waikane,
Mauna Ala in Nu’uanu.

CLUB ACTIVITIES AND ACHIEVEMENTS:
This year was a fortuitous year as we began our regular meetings at a new site, Alu Like/Nanakuli Unit right within our own ahupua’a on Nanakuli Avenue and Pua Avenue. Seven new members joined our club, bringing our total to 28. One new member is a dual member (and pelekikena) of ‘Ewa-Pu’ula HCC, Auntie Ethelreda Kahalewai, who volunteered and was thus appointed as our recording secretary. We were also honored to have two members from Hilo who are dual members of Prince David Kawananakoa HCC, Ulu‘ulani Sherlock and Nani Langridge. Other members are Alice Greenwood of Nanakuli Elementary PTSA, Edie van Giesen of Leeward Kai Canoe Club, Albert Silva of ‘Ohikilolo Ranch, Roland Lee of Nanakuli High School, and Yoletta Boucher of Alu Like. We partnered with Leeward Kai Canoe Club so that we could support each other’s group with their youthful kokua and our help in selling fundraising tickets. Their regattas and Father’s Day Canoe Races draw large crowds annually to the Nanakuli area. We sent a letter of support for them to obtain grant monies to build a canoe halau. It was very humbling to meet with the youth and their parents at Zablan beach where they practice every Wednesday and flourish under these dedicated community resources who teach the youth our ancestors’ traditions and values regarding weather conditions, safety and currents of the ocean to these youth.

Our entry in the Prince Kuhio Day Parade this March was extra special because Auntie Doreen Lindsey was one of the grand marshals. Four of us “lavender ladies” decorated a 2004 white pickup truck and rode in the back with our lacey umbrellas (Leilani Nasau, Velma Kekipi, Barbara Keliikuli and Ruby Maunakea). Bill Lyman and his friend carried our banner. Leilani’s son and grandson drove the truck and presented our ho’oku’upu at Prince Kuhio’s statue. It was the third year that our entry was captured in the Honolulu Star-Bulletin the next day.

We supported sister civic clubs in attending the Holoku Ball sponsored by HCC of Honolulu, Prince Kuhio HCC’s “Lei Aloha, Lei Makamae” scholarship fundraiser and the Lunalilo Home Fundraiser Luau.

‘Olelo Hawai’i at Nanakuli High and Intermediate School is alive and well beginning this school year, due in part to our AOHCC 2005 resolutions, OHA’s support, 1,135 petition signatures and the persistence of our club’s presence in special meetings with DOE Superintendent’s Office, Board of Education Community Meetings and PTSA/SCC meetings with parents and other school officials. We also participated in their annual Ho’olaule’a and Campus Beautification. Ms. Christine Badis is the new ‘Olelo Hawai’i teacher with a total of 136 enthusiastic students and a waiting list of over 25 students. She is young, energetic, certified and the kids love her as we witnessed their interaction at the recent Open House. There were various obstacles including the restructuring of the school, lack of certified ‘Olelo Hawai’i teachers, budgetary concerns and a perceived lack of student interest, however, Mr. Chang, the principal, was instrumental in conducting a comprehensive student
survey that produced the final satisfying results. We are bringing forth another resolution this year concerning ‘Olelo Hawai‘i.

Although we did not have a scholarship applicant for the Christine Kunukau Scholarship from Nanakuli High School, we presented two recipients with our other two scholarships at our annual luau fundraiser held July 8th at the Wai‘anae District Park. Sierra Nakea, continuing student for the Charles and Doreen Lindsey Scholarship and Al Akeo, for the Caesar Paishon III scholarship. Radasha Hoohuli, a Nanakuli girl and Miss Hawai‘i USA 2005, danced Hawaiian Hula Eyes at our luau and also rode behind us in the Prince Kuhio Day Commemoration Parade in March.

Five of our members attended the Native Hawaiian Education Summit held at Chaminade College in June. This effort, organized by one of our members, Joe Lapilio and Lynette Cruz of Kalei Maile Ali‘i HCC, was the first in a series of four phases. We are honored to have Joe as a member, for his expertise and popularity as a facilitator elevated him to be co-chair with Lynette Cruz of both the O‘ahu Council and the Association of Hawaiian Civic Clubs.

Nine of our members attended the first ever 2006 Kupuna Puwalu (Conference) held at the Hawai‘i Convention Center in August to focus on issues concerning kupuna lawaia and kupuna mahiai. Kupuna from neighbor islands spoke in ‘Olelo Hawai‘i and shared passionately their traditions they valued not only relating to gathering rights, but to the preservation and perpetuation of our Hawaiian culture and traditions. Two resolutions came out of this conference concerning the formation of an ‘Aha Council regarding fisheries management which our club is sponsoring and Spawning Cycles which ‘Ewa-Pu‘uloa HCC is sponsoring.

Because this is an election year, three of our members received training as Voter Registrars and have actively enlisted residents on the Leeward Coast to register or vote Absentee Ballot, including the homeless. We have also helped Hawaiian Vote 2006 to establish their own database by giving free T-shirts “No Vote, No Grumble.”

Concerning other community issues, we were represented at the Nanakuli Hawaiian Homestead Association and its Education Committee, the Democratic Party Convention and its Education Committee, Board of Water Supply Watershed Management meetings, and the Wai‘anae Neighborhood Board meetings and its Education Committee. Three of our members and their mo‘opuna are former clients and supporters of Wai‘anae

‘Olelo TV which has a great potential of reaching community with our Hawaiian Civic Club movement. Upholding our traditions with ‘oli and mele, we learned our club ‘oli, “Eo Nanaikapono” written by our founder’s mo‘opuna, Kukui Maunakea-Forth. Bill Lyman, our scholarship chair, is also an outstanding tenor and dual member of Prince Kuhio HCC, and he is ready to lead us at the next opportunity. A poetry reading and art exhibit at Queen Lili‘uokalani Children’s Center, Halona Street will be held in September to debut the second verse of the Doxology written by Haunani Bernardino. A choral group lead by Aaron Mahi and Nola Nahulu will present the arrangement.

Alva Kaneaikala is our nominee for the Helen C. Kane Appreciation award this year.

We are sponsoring two lauhala workshops in September through the help of a grant from Hawai‘i Maoli. We will be selling slack key CD’s by George Kahumoku as a scholarship fundraiser at the 2nd Annual Ho‘ike O Wai‘anae at the Sheraton Makaha Resort in September. We are also grateful to Hawai‘i Maoli for the donation of a computer that is housed at the Wai‘anae Coalition Office (Joe Lapilio) for all our members to use. Two projects we are looking forward to purchasing Hawaiian dictionaries for the students at Nanakuli High School and starting a Children’s Books Project to tell the history and stories of Nanakuli for future generations. The Prince Kuhio Essay Contest will be revived at the January 2007 O‘ahu Council Meeting using current issues related to Prince Kuhio’s programs as topics, i.e., conservation, leadership, National Parks, canoe racing, education, etc.

CLUB ACTIVITIES AND ACHIEVEMENTS:
The Pearl Harbor Hawaiian Civic Club
attended the 46th Annual Hawaiian Civic Club
Convention at the Fairmont Orchid Hotel, Kohala
Coast, Hawaii, October 23-30, 2005 with 19
Delegates, 3 At-Large, 3 Alternate, 1 Member and 2
Guests for a total of 28 in attendance.

Our members participating in the Aha Mele

Association of Hawaiian Civic Clubs with
Kawaiolaonapukanileo and sister Hawaiian Civic
Clubs in a mass Choir was a proud moment.

The Pearl Harbor Hawaiian Civic Club
continues to be a very visible and active club in our
community. Education continues to be a very
important Goal in our club by providing speakers to
attend our General Membership Meetings, and
having some of our leadership attend the Retreat at
St Stephens sponsored by the Association of

Hawaiian Civic Clubs in January and the Oahu
Council Retreat held at the Sheraton Makaha in
February. Awarded scholarships to 14 members of
the Pearl
Harbor Hawaiian Civic Club and donated $250 each
to the Dr. George H. Mills and the Dorothy
Gillett Scholarship Funds.

Pearl Harbor Hawaiian Civic Club is a very
active and highly respected club in the Oahu
District Council and the Association of Hawaiian
Civic Clubs. In the Oahu Council we are proud to
have Charles K. Kapua as an Association Director,
Alberta Low as Treasurer, Brendon Kaleiaina Lee
as Sergeant At-Arms, Chrissy Anjo as the
Ho`ike`ike Chair, Teri and Clifford Loo as
Committee Co-Chairs of Ali`i Sunday and the
Mauna`ala Clean Up.

On the Association level Toni Lee as
President and Board of Director of Hawaii`i Maoli,
Patrick Sniffen as Treasurer and Alberta Low as
Finance Chair.

The Pearl Harbor Hawaiian Civic Club has a
Board of Directors and a General Membership
Meeting every month. Our Club members receive a
newsletter every month to keep them up to date
with every thing that’s going on in the District
Council, the Association, the Community, other
Clubs and in our Club. We also hold an election
every year and provide on going training programs
to teach leadership to encourage members to take
on leadership roles and to hold chairmanships so
that we may have a different chairman for each
event and to prepare members to run for an office
in our club.

We have attended all of the Ali`i Sundays at
Kawaiaha`o Church to pay tribute to our Ali`i with
two to twelve members in attendance. We cleaned
Mauna`ala in August. Pearl Harbor annually
decorates Kawaiaha`o Church for Queen
Lili`uokalani Ali`i Sunday and hosts a service at the
Queen’s statue after draping her statue with her
favorite purple crown flower leis. Our membership
also helped with the Prince William Lunalilo luau, a
fundaiser for Lunalilo Home, did a Tapa
Demonstration at Borders Bookstore Waikele in
March, the Prince Kuhio Commemoration Parade
and the Association Fund Raiser Luau held this
year. Our Club also hosted a food drive that
provided 25 baskets for Thanksgiving and
Christmas which were shared with Hawaiian
families on the Leeward Coast and distributed with
the help of Alu Like. The Community events that the Pearl Harbor Hawaiian Civic Club assisted with this year were the; Prince William Lunalilo Home Luau; Walk/Runs of the Great Aloha Run in February, the National Kidney Foundation in April, and the American Heart Association in May. Our Club also planned and facilitated the Prince Jonah Kuhio Kalaniana‘ole Parade and honored our kupuna Aunty Josie Lum in a decorated vehicle.

We were honored once again to assist the King Kamehameha Celebration Hula Competition where we were responsible in lining up Halau, making sure they were in correct chronological order according to the line up, sold programs and swept the floors between each performance so that the performers would be able to perform safely.

Our club took a very active part in the Education Workshop hosted by the Association in July and the Ho‘ohanohano I Na Kupuna “Honor Our Ancestors Puwalu” that was held at the Convention Center August 15-17, 2006.

This year the Pearl Harbor Hawaiian Civic Club has volunteered to assist the Aloha Festivals in taking charge of their Merchandise for this year. Our members volunteered every day in the Aloha Festivals office from August 4, 2006 through the end of Aloha Festivals Celebration. On August 25th the Pearl Harbor Hosted the Investiture of the 2006 Royal Court at Honolulu Hale. On September 7th we will be hosting the Aloha Festivals Opening Ceremony at the Iolani Palace. During the Aloha Festivals Parade Pearl Harbor will be delivering the Banners and radios to parade participants.

Pearl Harbor Hawaiian Civic Club also participates in supporting many of our sister Clubs in their fund raisers by helping them to sell their tickets and by attending their functions. The Pearl Harbor Hawaiian Civic Club continues to strive in keeping the traditions of perpetuating the arts and crafts of Hawaii by demonstrating these crafts at the Border’s Bookstore in March, where we were able to demonstrate the art of making Tapa, stamps and the dyes used for Tapa. We demonstrated our arts and crafts at Conventions this year which included the Merial Convention in June and the Veterinarian Convention that was held in Hawaii in July and August. We are also very happy to be able to continue to sing in our Choral Group to help to keep our language and mele alive which gives our membership an opportunity to learn more songs that will enhance our language skills. We continue to enjoy Kanikapila at our General Membership Meetings. Members bring their ukuleles and guitars and words of their favorite songs that they would like to learn and sing.

This year our Club celebrates 42 years of our existence and we are very proud to say that for all these years we have been able to attend every convention and have been able to fulfill our Goals and objectives which enables us to continue to have a very active Club. Our Choral Group and members participated in the Third Annual “Ke Ahe Lau Makani” Hawaiian Choral Music Festival in tribute to Lili‘uokalani which was sponsored by Kawaiolaonapukanileo an acapella choral ensemble whose mission is to preserve and perpetuate Hawaiian Choral Music with Artistic Director, Nola A. Nahulu. There were over one hundred singers that participated and the Pearl Harbor Hawaiian Civic Club will participate in this year’s festival also.

Our Club is participating in the Ho‘olako Na Kiwila Hawai‘i program sponsored by the Association of Hawaiian Civic Clubs with a coconut weaving class which started in July and will be completed in October. Our project has attracted new membership and we have been able to also teach the Hawaii Youth Opera Chorus Instructors so they may teach their students. We have had 37 people attend with 29 of them being from our club.

This being an election year, Pearl Harbor has very actively been registering people to vote with the Hawaiian 2006 Vote Program and registering Hawaiians for Kau Inoa. We registered at all three Mele on the Lawns at the Bishop Museum, Family Sunday at Bishop Museum, The Prince Lot Hula Festival and The Birth Day Bash at the Waikiki Shell. Our Club has four registrars. Eh...No Vote No Grumble!

The Pearl Harbor Hawaiian Civic Club is looking forward to our largest Scholarship Fund raiser the Henry Ayau International Outrigger Canoe Race which will be held in September. Pearl Harbor Hawaiian Civic Club continues to strive to do better each year to live up to the goals and objectives of our Club and our founder, Prince Jonah Kuhio Kalaniana’ole. “E Paepae Iluna Loa I Ka Malamalama” “Hold High the light of Knowledge.”

CLUB ACTIVITIES AND ACHIEVEMENTS:
Since the 46th Annual HOCC Convention held in October last year, the Prince Kuhio Hawaiian Civic Club spent the last quarter of 2005 doing a search for members to take on the leadership as our Board of Directors. As a result there were replacements on our board with elections held in November 2005. The new 2006 board members were sworn into office at the first meeting of the new year.

The Lunalilo Home Annual Luau is an early event in the year that we like to support. Mothers of both Past President Tony Ho and Secretary Kanoe Cazimero are residents of Lunalilo Home. Our Pelekikena helps with their gardens and was on hand to help with the decorations. Kanoe helped with the entertainment while other enjoyed the food and music.

In 2006 The Prince Kuhio Hawaiian Civic made it a point to keep our members informed of issues involving land and natural resources, education, culture, health and wellness. Guest speakers have included Shawn Kana’iaupuni with a presentation on the Native Hawaiian Education Assessment; Kalei Tsuha—expert on the Moon Calendar for fishing & farming; Megan Wong with Pacific Diabetes Education and Auli’i Mitchell on the nearly lost art of Hula Ki‘i or hula with puppets.

March hailed in a busy schedule as the birthday month of our patron Prince Jonah Kuhio Kalani‘ana‘ole. Our entry into the Kuhio Day Parade was a colorful and interactive trolley, as we sang our way down Kalakaua Avenue and passed out purple and white balloons to keiki along the route. Pelekikena Roy Benham & 1st VP Claire Pruet rode in a convertible representing our club while Bruss Keppeler (choir and club member) rode another convertible as one of two Parade Marshalls. Our choir has been busy with performances on their own and in collaboration with the Royal Hawaiian Band.

Of the nine Ali‘i Sundays, our members turned out for the Sunday designated to honor Prince Kuhio at Kawai‘aha‘o Church as well as services which were held at Mauna‘ala.

We also participate in the building and decorating of the Mo‘i Float for the Kamehameha Day Parade
Throughout the first half of the year our Scholarship Committee worked diligently to review and recommend applicants. Our commitment to our scholarship recipient is for continued support throughout their higher education provided they provide updates & transcripts. This year we awarded 21 scholarships in varying amounts.

The Ka Lani Ana ‘Ole Scholarship Pa’ina which is held every other year in August, is our major fundraiser. We were privileged to honor three of our own. When nominations were first solicited two years ago, the main criteria was that the “nominee must demonstrate significant contribution(s) to our mission of education, perpetuation and promotion of Hawaiian culture and values within our club and more importantly, in our community”. These three honorees exemplify the qualities that our patron Prince Jonah Kuhio Kalani‘ana‘ole Pi‘ikoi promoted and instilled in his people while they themselves worked in service to advance and benefit all people of Hawai‘i. We are grateful for the commitment of these members to the club and the ideals of our Prince.

Richard Jackson has been an active member since 1987 and held the office of President consecutively in 1997 & 1998.

Bruss Keppeler has been an active member for 21 years since joining in 1985.

CLUB ACTIVITIES AND ACHIEVEMENTS:
Forty-six years ago on November 10, 1960, the Hawaiian Civic Club of Wahi‘awa was formed with about seventy-five members. Today there are twenty-nine.

Though small, the club still maintains its monthly meetings and annual activities. Members serve as delegates to the annual convention, take part in parades, attend clubs scholarship lu‘au, and attend quarterly council meetings.

The club has a special culture project which it has undertaken for several years now. The members are caretakers of an ancient birth stone site in Wahiawa named KUKANILOKO, which had its beginning in the twelfth century. Visitors, both local and tourist, are welcome to tour the site by making arrangements with club member, Tom Lenchanko, at 621-5148.

The club has members which are known as honorary members. They are not Hawaiian but they have a keen interest in things Hawaiian. They contribute to club projects their time, donations, suggestions, and kokua. They have no voting privilege or hold office.

CLUB ACTIVITIES AND ACHIEVEMENTS:
The Hawaiian Civic Club of Waimanalo began the year participating in the Prince Kuhio Day Parade. Highlighting our Kupuna "Ku'ulei Aila" and her mo'opuna in the back of a pick-up truck. It was priceless to see an old country entry with the dog, kids, and tutu, celebrating our Prince Kuhio. The 2nd decorated vehicles was paged by the banner holders Alohalani Ka'e'ahu Villarin and Kahealani Kapule. President Marvelle "Ku'ulei" Laughlin was seen in her convertible wearing club colors, a ocean blue mu'umu'u and a sand beige kihe'i. The driver of the convertible was Pelekikena Ku'ulei
Laughlin’s son Michael Kalani Laughlin and his assistant, 9 year old Mikiala Ka’ehu Villarin, who attends Waimanalo Elementary School. A ho’okupu was presented to the Prince Kuhio statue on behalf of HCCW.

A grant from OHA for the project “Na Kupuna O Waimanalo” was received in July and used to encourage our Kupuna in Waimanalo to create their arts and crafts to sell at the local Waimanalo Craft Fair on Sundays. It enabled them to make a few extra dollars to supplement their income. Tents were purchased by the HCCW and set up every Sunday at the Craft Fair. Vendor fees were paid for the first 3 months.

A Hurricane lamp from a local artist was purchased for the Waimanalo Cancer Society relay auction as a donation. A Kau Inoa fundraiser was held for the HCCW scholarship fund. The 24th Annual Hawaiian Slack Key Guitar Festival at the Kapiolani park was attended by the Na Kupuna O Waimanalo. A special ginger lei was sewn by the kupuna for the special guest of the event Melveen Leed. Pelekikena Marvelle Ku‘ulei Laughlin presented the lei on behalf of the “Na Kupuna O Waimanalo.” Melveen sang a special song dedicated to “Na Kupuna O Waimanalo.”

The members of Na Kupuna O Waimanalo have cleaned and polished over 500 kukui nuts which will be included in each Hawaiian Civic Club members’ convention bag. The kukui nuts were hand picked at the Ulupo Heiau during the Kailua Hawaiian Civic Club monthly clean up on the 2nd Saturday.

A donation from our scholarship fund was given to the Waimanalo Elementary School for school supplies.

Our goal for the Hawaiian Civic Club of Waimanalo is to be able to participate in the Aha Mele this year at the annual Convention.

CLUB ACTIVITIES AND ACHIEVEMENTS:
The Hanalei Hawaiian Civic Club reached out to the youth in our community in 1973, by forming the Hanalei Canoe Club. There was very little organized activity on the North Shore of Kauai for our youth at that time, and we wanted to create a safe place and activity, through which we could share the values of our culture and the wisdom of our kupuna with na pua – our children.

As the families of our children joined in, our adult programs became very successful at the Hawaiian State Canoe Racing Championships (where Hawaiian traditions, such as the use of koa canoes, are mandatory), as well as in the larger paddling community. As the sport of paddling has become more popular, the number of canoe clubs on Kaua‘i has grown, but only one club - Hanalei - continues to make Hawaiian values a priority each year, as we go through our paddling season. Hanalei Hawaiian Civic Club believes that as community members, our kuleana is to malama our youth, and steer them toward responsibility and respect - for themselves, for the land and sea, and for the larger community.

During the last four school years, our club has adopted Kula High School for the KIF Outrigger Paddling Season. During the winter of 2005-06, we also began an off-season youth program on Wednesday afternoons. As part of this program, we taught life skills to support our young people in making better choices in many areas of their lives. By 2006, our youth canoe program consisted of 96 young people, aged 6 to 18. We also have a thriving women’s program, and a growing men’s program (with young men in their 20’s, excited about taking part in outrigger canoe paddling). We also have a morning (Hui O ‘Akahi ‘Akahi) group that is very active.

Hanalei Hawaiian Civic Club, with our keiki organization, Hanalei Canoe Club, is a community organization in its truest sense, providing community support and training for young and old. Our club competed in this year’s HCRA State Races on Oahu, traveling with 65 young people ages 10 – 18, as well as adults from 19 – 75 years old. As part of our club’s State Race trip, we always include cultural and community activities (This year, we took the children to Bishop Museum on O’ahu). Our members have also competed in long distance races, both on- and off-island (this year, we took some of our older teens with us to race in the 18-mile Queen Liliuokalani Race in Kona). On Kaua‘i, we join in the Festival of Lights Parade each year, and help to decorate the Historic County Building. We participate in the Hanalei School Makahiki, by taking an outrigger canoe to the school and sharing the art of canoe paddling with the students.

Hanalei Canoe Club has also taken an active leadership role in helping to preserve Hawai‘i’s natural environment. In July 2004, utilizing ancient Hawaiian knowledge and our canoes (with the approval of Hawaii State marine veterinarians and biologists), we used a “reverse Hukilau” woven from Beach Morning Glory (Hawaiian name?) vines to assist a pod of near stranded and distressed Melonhead Whales out of Hanalei Bay and back to sea. We have since established the Melonhead Project, to bring awareness to the safety of our marine animals, and to support the education of our community to assist in future strandings. We will continue to promote healthy oceans, as part of our mission of perpetuating the Hawaiian culture through promotion of Hawai‘i‘an canoe paddling.
issues facing Hawaiians and also create a venue to house the CMHCC’s homeless literacy program.

In March of this year the Central Maui Hawaiian Civic Club submitted a grant application to the USDOE to start a homeless literacy program. We were elated to hear the grant will be funded for $239,000 a year for 3 years. The grant will focus on training Kupuna, our members, to work with homeless youth on literacy. We are excited about the new challenges and the new directions that our club will be moving into the next few years. We are sure that Prince Kūhiō would be happy to see the social change our club is making in our very own communities.

Once again, thank you to the Oahu council for hosting this years convention and we hope everyone has an interesting and fun convention.

Aloha No Kakou!

The Lahaina Hawaiian Civic Club has had an eventful 2006 thus far! In March, along with Central Maui Hawaiian Civic club, we had an awesome time bringing back the Holoku Ball to Maui. It was so nice to have this event happen once again on Maui, and we plan to all work together to carry on this tradition in the future.

In June we once again presented ourselves well at the Kamehameha Day Parade held in Lahaina. Then on July 19th we awarded our very 1st scholarship to one of our graduate members, Lee Cabacungan. In August we were a part of the Kupuna Health Fair held at the Lahaina Cannery Mall.

We will all miss 3 of our life members (Immediate Past President, Bernice Nitta Life Member, Harriet Farden & Life Member, Pahukoa Morse) who passed away this year, but we know that they have joined all their loved ones and all the past Hawaiian Civic Club members.

We are revving up our group to do more community projects and events for our members in the coming months. One of the great things that we are looking forward to is to start a Hawaiian Language class for our members and held monthly Hawaiian workshop days to enrich our keiki in the old ways of the Hawaiian people. We feel that if we don't do this now, many of our old ways will be lost as our kupuna leave us.

CLUB ACTIVITIES AND ACHIEVEMENTS:

Our monthly meetings are still held the first Thursday of every month at Kulana 'Oiwi conference room at 5:30 pm. You are most welcome to join us. It is usually a potluck feast.

Our membership of 25 plus 2 associate members (Non-Hawaiian spouses) held money making projects to boost up our scholarship fund. We continue to sell the Hawaiian moon calendar, sold 150, cone sushi at the Kuhio day celebration, entered the Hotel Charity walk, and did Kau Inoa registration.

This year, our scholarship awards totaled: 1 applicant from Kamahameha School, 9 Molokai High School, 4 continuing education (in college for 2nd, 3rd, or 4th year). This year we approved to award extended education to our civic club members who are attending college on a part time basis, we have 3 applicants.

We applied and received the Ho'olako Na Kiwila Hawai'i grant for $2,500 to partner with Ka Honua Momona International, for the clean-up of Kaloko'eli and Ali'i fishponds located in the Kaimiloloa Homestead area. This year we hope that four or more delegates will be attending the October 2006 Convention in Waikiki.

CLUB ACTIVITIES AND ACHIEVEMENTS:
Our activities this year were limited to the regular attendance at Hawaii Council Meetings; participation in the annual Kohala and Hilo Kamehameha Lei Draping ceremonies—floral lei ho‘okupu to Kohala while the Pa club members and their ‘Ohana (opio to kupuna) gathered, prepared and wove strands of ti leaves as part of a combined effort with members from Hale O Na ‘Ali‘i, Halau O Kalakaua, Inc. complete their ho‘okupu for the Hilo ceremony.

As part of their environmental assessment, Hilo was among the few Hawaiian organizations contacted by Geometrician Associates (an archeology survey firm) seeking historical significance in relation to the traditional cultural properties or religious ritual practices on two Hilo sites being considered for a county park and healthcare facility. Research conducted and information submitted. Sponsored a public informational meeting on the History and Development in Waiakea concerning the Kanakea fishpond (Reeds Bay area) and the Mana Industrial Park (Hilo Airport area). Sharing was beneficial to both audience and presenter.

Restoration of the Kanakea fishpond was selected as Hilo’s Cultural/Community Outreach Project.

Participated in the first phase of the Educational Summit Nana Ma Mua I Loko No’ono’o’o Kakou on June 16-17. Martha McNicoll and Arthur Hoke represented Hilo. 2006 Scholarship Grant awarded in July. Ongoing recruiting of new members. Revised/updated club’s membership cards; membership applications; CBLs; Mission/Vision statements. Our reorganization process was completed in July with the selection of our current officers and directors. So Hilo will continue to flourish because of the fruits of our Kupuna—‘Ohaha Ka Hua Kupuna — Because of the fruits (knowledge) of our Kupuna, we flourish -- and under the leadership of Pelekikena Arthur Hoke and incoming Board, they will Ho‘oikaika Ka Waiaiw Na‘auao O Na ‘Oiwi- Strengthen the Value of Wisdom for the Future. CLUB ACTIVITIES AND ACHIEVEMENTS:
The Hoopuloa Hawaiian Civic Club (HHCC) is working closely with community members of
Miloli‘i to develop and deliver projects that help to improve the quality of life in the community. HHCC is partnering with the community-based NGO Pa’a Pono Miloli‘i (PPM) with a focus on activities that help to revitalize Hawaiian culture. HHCC is also working with a Hawaii-based non-profit organization, the Community Conservation Network (CCN). CCN is dedicated to assisting communities in the Pacific to achieve their goals in terms of natural and cultural resource management.

Over the past two years projects have included:

1. Sponsoring marine education activities as part of the Miloli‘i Summer Fun Program. Over the past several years a group of partners has come together to implement a summer fun program at Miloli‘i. This program is usually six weeks in length and includes a two week session on marine ecology and traditional management. The program has been more successful each year involving more than 30 youth from the community and their parents. HHCC and PPM have helped to sponsor the marine education programs.

2. Working to revitalize the use of traditional paddle canoes to pursue culturally important activities. These activities include: traditional opelu fishing using sustainable methods and canoe racing. To date, we have focused the majority of our energy on restoring the use of canoes for the opelu program. We will now continue this program and also develop a program for recreational canoe paddling.

3. Working with Kupuna to revitalize traditional opelu fishing and other marine management activities. In Miloli‘i as in all most Hawaiian communities the transfer of traditional knowledge from Kupuna to youth has declined as youth become more involved in daily activities including school and sports. As a result, each subsequent generation knows less and less about the traditions that both define and sustain the Hawaiian people. HHCC and PPM have worked with CCN and other partners to develop a program whereby youth engage in regular inquiry-based sessions with Kupuna to learn about the communities traditions. The sessions have a focus on the marine environment and involving youth activity in understanding the past condition of marine resources and how they were managed. Traditional opelu fishing using a paddle canoe has been one important part of this program.

4. Working to develop a Community Center. HHCC and PPM have been working together over the past year to develop plans for a Community Center at Miloli‘i. This center will serve to house numerous facilities and programs including: youth tutoring, traditional knowledge classes, Hawaiian language classes, a library and computer lab, a kitchen, sports, and arts facilities. The center is very much in its design phase but will hopefully be a realized dream within the next two years.

The year 2006 has been another year of trying to increase our membership. We have just hit the high of 25 to qualify for a choral group which we’ve just started with the help of our member who has taken the time off of her own schedule to help us. We are looking into starting a novice Hawaiian language class with the aid of one of our Kupuna. We have started this year off a little slowly however, we have also accomplished much. We are looking forward to attending this year’s convention themed “OHAHA KA HUA KUPUNA” (Because of the fruits of the knowledge of our Kupuna, we flourish.)

CLUB ACTIVITIES AND ACHIEVEMENTS:
In preparation of the 2005 AOHCC Convention held at the Waikoloa Fairmont Hotel on the Island of Hawaii, Prince David Kawananakoa Hawaiian Civic Club held a prominent place in the planning process at the Hawaii District Council level. As club Pelekikena, Ululani Sherlock chaired the AOHCC Employment and Housing Committee. Club members were also prominent contributors in the Convention Steno Pool and also offered their services at Convention to Hawaii District Council President, Mabel Tolentino, Convention Chairperson, Lorna Akima, and Sgt.-At-Arms, Willette Akima.

On June 16-17, 2006, Christine Naito and Ann K. Nathaniel represented PDK HCC at the first of a four part planning process of the Native Hawaiian Education Summit held at Chaminade University in the Ching Center. The primary activity was the convening of an education focus group to discuss and offer recommendations for educational outcomes for Native Hawaiian children and for implementing systems and/or programs to achieve these outcomes.

In July 2006, in accordance with our club’s By-Laws, Christine Naito accepted responsibility as the new Pelekikena. We thank Ululani for her many years of dedicated service.

Our Club goals for 2007 are:
• Increasing membership
• Accepting nomination for Hope Pelekikena
• Plan workshops for Parliamentary Procedures training
• Plan workshops pertaining to responsibilities in fostering the objectives of the AOHCC
• Formulate a plan for club members to become more actively involved in various Native Hawaiian Community Programs
• Participate in and apply for grant monies to carry out our Club’s goals
• Most importantly, in 2007 we are looking forward to partnering with members of the Hilo Hawaiian Civic Club, in collaboration, to better the conditions of our Native Hawaiian Community.

With anticipated needs within the community, we, as the “host culture” are preparing a series of hands on arts and crafts demonstrations, history presentations, lectures and video education, and kupuna talk story for our “new” malihini and kamaaina as well. Events will run through 2007 (April to November). We are also inviting other community based organizations to participate.

We were able to send our education chair to the Education Summit in June and will also attend the Native Hawaiian Convention in September on O’ahu.

We continue our weekly fundraiser with flower lei at the Marriott Hoter Lu’au and our yearly events of Hawaiian games at the King’s shops and various resort hotels as needed.

CLUB ACTIVITIES AND ACHIEVEMENTS:
Waimea Hawaiian Civic Club (WHCC) opened the year with the theme, “E Ala Hou”, A New Direction, in which as individuals we heal personally in things we direct, and stabilize who we are in order to benefit the next generation. We find it very appropriate to the 2006 convention theme “Ohāhā Ka Hua Kupuna” (Flourishing of all who are born of the kupuna)-[a reference to the health, strength and well-being of the lahui].

WHCC opened the year with our 1st annual “Poi Suppa” the evening was set-up to honor Waimea Hawaiian Civic Club’s 56 years of existence. It was our intent to build and bring together, those who once belonged to the club, present members, and new members so that we can work together to maintain and fulfill our kuleana to our community and carry on the foresight of Prince Jonah Kalaniaole Kuhio. For $10 per person, they got a Hawaiian plate, lucky number, one lucky number prize included a one year membership, entertainment was by our kupuna, and a great slide show of WHCC’s past. This evening turned out to be a very successful and wonderful evening.

Membership is currently 130, general meeting is held on the first Monday of each month with board meeting on the last Monday of each month both meetings start at 6 p.m. and held at the ‘Imiola Church Hall. July General Membership potluck meeting was held at the Tea House at Anna’s Ranch in Waimea. WHCC had the opportunity to tour the home of Anna Lindsey Perry-Fiske. The home is now a museum and the tour afforded our members who attended a time to reminisce, tell and hear stories of Anna’s legacy, look and help identify unknown people in old photographs, a look at land deeds that were written in Hawaiian, her horsemanship regalia and many other great things.

WHCC conducted and continue to do lei making for the Kings’ Shop Easter, May Day and 4th of July and special events through the year. Lei demonstration are ongoing on Saturdays, the visitors and locals are treated to a great Kupuna hula show every other Tuesday at the Kings’ Shop also. Our kupuna continue to welcome Japanese visitors that land at the Kona International Airport with their lea nauenahe three times a week. Weekly
Hawaiian demonstrations at Pu‘ukohola Heiau continue. In August we held a “Cultural Educational Opportunity” and invited men of Nā Koa o Pu‘ukohola to educate members of the Waimea Community about their involvement and commitment to Pu‘ukohola Heiau.

We were honored to participate in the Ku Holomau Project, a project by the Makali‘i ‘ohana and Polynesian Voyaging society anxiously trying to finish a double haul canoe for master navigator Mau Pialug and the people of Satawul. WHCC participated in donating can goods, $1 per person drive and has provided dinner twice for the canoe’s work crew.

At our February meeting we had Keala Ching of Laiopua, Kona, share an inspirational activity “the bowl of light”. At our March meeting, chairwoman of our Health committee brought her lomilomi students to share different massage techniques. April, our new member who is a dermatologist gave a talk on skin cancer, and provided tips on ways to prevent skin cancer. Waimea continues to look for hands-on experiences and stories that will enlighten our members so that we may walk the talk of our people, and gather in the light of “aloha”.

On May 13, WHCC organized a full day huaka‘i to the lower Puna area starting in Keaau and ending in Kalapana, a two night sleep over at Kilauea Military Camp at Hawaii Volcanoes Park, and a visit to the Hawaii Volcanoes National Park educational center. Those in attendance were Toni Lee the President of the AOHCC, as well as other officers of the AOHCC board, members from Different ‘Oahu clubs, WHCC members, and members from Kā‘u and South Kohala HCC. We were also very honored to have Hawaiian Scholar Aunty Edith Mckenzie in our presence. Friday evening we all gathered in the ‘ohana room and listened to mo‘olelo by Aunty Edith, individuals shared different mo‘olelo, every one sang songs well some played ukulele, and a hula auwana “Aloha E Pele e” was taught by Leimomi Kahn. It was a great evening. The next day, Pi'ilani Kaawaloa was our host and she truly was the essence of our 2006 Convention theme “Ohāhā Ka Hua Kupuna” all in attendance would agree that she exhibited the fruit/s (knowledge) of her kupuna. Later that evening Joni-Mae Makuakane-Jarrel coordinator of the Hawaii Volcanoes National Park Educational Center presented an awesome slide show on the “Kumulipo” or creation and we were also presented with other educational presentations.

In closing we give great thanks to the Creator and ask for continued blessings upon each one of us “born of the Kupuna”...
Mainland Council Association of Hawaiian Civic Clubs

Pelekikena Report 2006

Aloha Kakou! The Mainland Council Association of Hawaiian Civic Clubs extends Aloha and greetings to the O‘ahu Council as they host the 47th Annual Association of Hawaiian Civic Clubs Convention, at the Waikiki Beach Marriott Resort and Spa, in Honolulu, Hawaii.

‘Ona‘onā ka Hua Kupuna. Through the fruits of the knowledge of our kupuna, the Mainland Council continues to Preserve and Perpetuate the Hawaiian culture.

The Mainland Council Association of Hawaiian Civic Clubs has been given jurisdiction over the Hawaiian Civic Clubs in the Continental United States and Alaska. At the 46th AHCC Annual Convention, in 2005, in South Kohala, Hawai‘i, the Association chartered the newest Mainland Council Hawaiian Civic Club, Ke Ali‘i Victoria Ka‘iulani HCC, from Chicago, Illinois. Pelekikena of the Chicago HCC is Hinano Lee.

Mainland Council Club reports indicate that the clubs are very busy. Olelo classes, genealogy workshops, Hawaiian health projects on cancer and diabetes, Hawaiian craft workshops, lei hulu, mele, hula and ukulele classes, activities such as picnics, bowling, volleyball tournaments, and outrigger canoe regattas are being held. Fund-raising for the purpose of giving scholarships and Kau Inoa sign-ups continue and special groups are reaching out to other cities on the Continent to assist and inform them of the Hawaiian Civic Club movement.

Delegates of the Mainland Council also participated in the 37th Annual Lei Draping Ceremony for King Kamehameha I, on June 11, 2006, in the U.S. Capitol Building, Statuary Hall Washington D.C. This was the first Mainland Council Board meeting held in Washington D.C. Halau Kea‘iokamalulani, Kumu Hula Pomaikai Guai of Salt Lake City, Utah and Namakahohonuakapiliwale Hula Halau, Kumu Hula Danette Leimomi Cruz-Losano of Waianae, Oahu, Hawai‘i, performed at the ceremony. The Lei Draping Ceremony was sponsored by the Hawai‘i State Society of Washington D.C. Members of the Mainland Council also attended the U.S. Senate hearing on the Cloture vote for the Akaka Bill. After the vote members of the Mainland Council visited several Senators to express their concerns about the Senate vote.

We invite all the members of the Association to come and enjoy themselves at the 48th Annual Convention Association of Hawaiian Civic Clubs, to be held in Anchorage, Alaska, October 14 – 21, 2007.

As Pelekikena of the Mainland Council Association of Hawaiian Civic Clubs I would like to thank my board members, committee chairs, and na Pelekikena of the member clubs for their support throughout my term in office.

Everybody paddle the canoes together.

CLUB ACTIVITIES AND ACHIEVEMENTS:
Aloha kakou! Members of 'Ahahui Kiwila Hawai'i o San Diego extend our aloha to Oahu Council as they graciously host the AHCC 47th Annual Convention, 'Ōhānā Ka Hua Kūpuna. It is with great pleasure that we are able to represent our membership as we do the work of the Association and take with us our experience that can be shared with Aahuhui.

Our membership began the year by gathering to celebrate Chinese New Year and to elect new officers for a two year term. The new Board set about outlining our goals for the upcoming year. These include planning scholarship fundraising efforts, providing community service, sponsoring cultural workshops and increasing membership.

In our efforts to live our club motto, we have collaborated with other Hawaiian and Polynesian groups to allow our local community to experience the "goodness of the Hawaiian" while raising scholarship funds by sponsoring a raffle at a Hapa Concert, participating at Ho'olaulea, Lawndale, CA, and manning a Hawaiian food booth at the annual Pacific Islander Festival. Because of the proceeds from these events, we hope to increase our scholarship fund for next year. We are pleased to share that we have awarded three academic scholarships to students attending colleges in San Diego and Utah as well as a cultural scholarship to assist a makua with attendance at a lauhala weaving workshop held in Kona. Our community service projects have included preparing meals for a gathering of Hui o Hawai'i of San Diego members and the mentally disabled of East County and expanding our efforts for Kau Inoa registrations by being present at area town hall meetings, concerts, and family gatherings.

With the AHCC grant funds we have been able to sponsor feather lei making workshops that meet monthly so that those in attendance can continue to learn and to complete their projects; our goal here—participation in a formal graduation under the direction of Lei Hulu of Southern California. The workshops afford us the opportunity to share this art with our membership and with people outside of Ahahui that have a desire to learn more about it. It has also managed to spur on conversations that hopefully will lead to potential new civic club members.

CLUB ACTIVITIES AND ACHIEVEMENTS:

Our most memorable event this year was our ‘Aha ‘Ohana Olakino, June 16-18, at Chapman University—with Hawaiian faculty Nalani Olds, Kaohu Monfort, Michele O’Connor, and Likeke Papa bringing the almost 80 attendees into the arms of our Hawaiian Culture. Our local faculty, Keokani Marciel, Exercise for Health, with Sora Tanjasiri (WINCART) and Mary Jean Christian (Joslyn Diabetes Center) helped us bring into focus the importance of our Hawaiian Health—what we have, what we lack, and what we need to accomplish to bring us to the healthy forefront. With hands-on subjects of La‘au Lapa‘au, Lomilomi, Ho‘oponopono, we relived the days of our youth in Hawai‘i and remembered the guidance of our kupuna. Our na mea activities centered on feather and Kukui nut arts and crafts, mele with our instrumentalists, and puppetry with our youth who also listened to some of the presentations, wrote a script and presented to the attendees at our ho‘ike.

We found they really did listen and were so aware of the dangers of cancer and diabetes. All present were filled with the aura of aloha and on the critiques asked that we give this again in 2007. We continue to visit our convalescent and senior homes, hospitals, senior centers, where we entertain, Hawaiian style, and once a month visit the KEIRO adult day care center for hula. And of course we look forward to the day after convention when we visit and entertain at Lunalilo Home. We continue to improve our health in collaborating with The Orange County Asian/Pacific Islander Coalition Assn.; WINCART (now within the second year of our five-year research study on cancer); The Banyan Tree Project of APIAT (HIV and AIDS); PIHP (Pacific Islander Health Partnership); attending seminars such as Reach 2010 in Los Angeles (A healthy community by 2010). We take cultural programs to the elementary schools in the Orange and Los Angeles Counties (including our puppet presentations); with HICCSC our Southern California based cultural organization presenting our annual Ho‘olaule‘a. Our annual scholarship aha‘aina this past August 12, will yield us the funds to award over $10,000 in scholarships to 13 Native Hawaiian College students (both new and continuing), Kamehameha Explorations youth and kupuna attending cultural workshops. Here again we have a cultural emersion with the aha‘aina in that the members do everything—Hawaiian cooking, desserts (a full authentic menu) and pupu; our arts and crafts committee made all the table decorations; stage decorations were all live plants and tropical flora; the live music, choral and dance groups devoted months of hula, chant and keiki practice which evolved into the nights program under the direction of our own hula kumu; the leis for sale were all crown flower, plumeria, etc. grown in our yards; the awards were all handmade by our members; and the list goes on.

Our men’s health targets ho‘e wa‘a with the Newport Outrigger Club, founded by Noah Kalama and now carried on by his son, Thomas.

We sent six of our members in June, Mainland Council Representatives, to the Kamehameha Lei Draping ceremony in Washington, D.C. This was that crucial time when the cloture vote for the Akaka Bill failed. We visited Congressional offices to look for support and were restored with renewed vigor to champion
the Bill, perhaps again. All attended other functions
in relation to the lei draping.

We are establishing our website and hope to
bring it to fruition in 2006.

We weep for the passing of one of our
lifetime members, Theresa Waren, who passed
away in July of this year.

**CLUB ACTIVITIES AND ACHIEVEMENTS:**

It's been a busy and profound year for us
with measured growth not just in our membership,
but in our effectiveness in the community. We were
able to create many opportunities for our club
members and community to learn, share and
connect with each other and with our Hawaiian
culture. One such was was by means of a
Genealogy Workshop, conducted by Analu
Josephides of the Reverend Joel Hulu Mahoe
Research Center. The first of its kind to be held on
the continental United States, it was indeed an
honor and priviledge to have Analu and his 'ohana
come and share tips, techniques, and most
importantly, share their knowledge and mana'o with
our community. It was a truly significant
experience and we look forward to a follow up
workshop. In addition, we've also participated in a
lu'au sponsored by the South Salt Lake Community
Center, the purpose of which was to give back to
the community, definitely an ideal and goal we as a
civic club share. We've also had a free film
screening of the film 'Children of the Long Canoes'
to help celebrate Hokule'a's anniversary in March.
Never ones to be complacent, we've followed those
activities with a Kamehameha Intensive Workshop,
designed to better educate our members and
community regarding the life and times of
Kamehameha I and to help prepare members of
Halau Keahiokamalulani as they journeyed to D.C.
to take part in the Lei Draping Ceremony. The
workshop was indeed 'intense' with a full timeline
of Kamehameha's life, but it was designed to inspire
and encourage and was successful at accomplishing
both.

As we've done for many years past we've
also participated in the yearly Living Traditions
Festival, a huge event sponsored by the Utah Arts
Council and once again, our shave ice and teri beef
sticks were a smash hit!!

Summer is always a busy time for us, and
this summer was certainly no exception. In the
month of June, we participated in our first 'Ohana
Bowling Tournament. While it was our first, it
most certainly won't be our last as everyone,
participants and spectators alike had a lot of fun and
got to become better acquainted with other
members in our club and community. A fantastic
time was had by all and we definitely look forward
to having another tournament soon. Following that
was our 'Ohana Day at Raging Waters, a local water
park the following weekend. It was fun, sun and
friends galore as the kids were able to enjoy each
others company throughout the day, the adults were
able to catch up and visit with one another and in
many cases strengthen existing friendships. It was
indeed a success with everyone ending the day not
only with smiles upon their faces, but excited at
doing more things together. We also had a
Hawaiian Community meeting, the purpose of
which was to alert our community to the events
surrounding the failed cloture measure for the
Akaka Bill, and enlighten our community as to how
our local senators, Hatch and Bennett voted, (NO)
and to rally together as a community and deliver our
collective response to their votes. To that end we've
been extremely busy in making contacts within the
other Polynesian Communities as well as the Native
American community and invite them to a Town Hall Meeting scheduled for Friday September 1st with Congressman Eni Faleomavaega as the key speaker. He will address the community regarding the Akaka Bill and its potential effects on ALL Native peoples.

We were also able to present our second 'Ohana Retreat which consisted of 3 days of culturally based activities. We had activities such as lei making, teaching the children about our origins as Native Hawaiians and our elder sibling Haloa. We did this by introducing them to the genealogy, customs and practices surrounding the cultivation, use and genealogy of kalo and having them learn how to pound poi. We taught them a chant that related to us as 'oiwi and our connection to our one hanau, they learned about some Hawaiian fishing traditions, created their own dryboxes, learned how to make ahi poke, and got to taste fresh 'opihi, different types of limu, raw crab and more. While it may not seem significant to others, for these children, most of whom have not been to Hawai‘i even though they're of Hawaiian ancestry, it was huge. For us to be able to create these opportunities for them to learn of their culture minus the fundamental place based learning aspect, was humbling. We look forward to even more culturally enriching activities with our youth.

Hui Hawai‘i O Utah celebrates its 20th Anniversary this year and we have an Anniversary Bash planned for September 9th. We intend to thank and honor our kupuna who had the foresight to organize and charter our club, thus enabling us to provide all of these rich cultural workshops, activities and more for our people. In the upcoming months we also have a Hawaiian Tattoo presentation, another Hawaiian community meeting slated for October 5th, and much much more. It is our passion to assist in the growth of our people and to see the increase of learning and knowledge of the ways of our kupuna and see it shining through the intent, actions, and words of our community and our keiki.

CLUB ACTIVITIES AND ACHIEVEMENTS:
Kauwahi Anaina Hawai‘i was honored to participate in one of the largest parades in the state of Utah. It was the first Hawaiian float of our hui. We invited several of the Hawaiian organization to be involved. We had an enjoyable time working together in the building of the float. We ate, played and kanikapila together. It took a year to prepare for the big event but it was worth it. The theme was "Pioneer Dreams - Stepping Stones for Generations" translation into Hawaiian was difficult but it was "Haunauna O Kupuna". It was a great experience for all those that participated in building as well as being on one the float and walking along side the float. It was definitely a success.

CLUB ACTIVITIES AND ACHIEVEMENTS:
The goal for 2006 and beyond is to BUILD PARTNERSHIPS with area hui, halau, alumni and other non-profit organizations.

KAMHCC hosted the June 10; 2006 Mainland Council of the Association of Hawaiian Civic Clubs quarterly meeting. Members attended the June 8, 2006 morning Press Conference on the lawn of the U.S. Capitol in full support of S.147 – the Akaka Bill. A war of words between defenders Inouye, Akaka and Dorgan (ND) and aggressors Alexander (TN) and Kyle (AZ) ensued on the floor of the Senate. A vote to invoke cloture failed. Appointments with Hawaii congressionals gave Civic Club visitors opportunities to present gifts, ask questions and pose for photographs.

Hawaii State Society (HSS) partners hosted hui, halau and area non-profit organizations during a Saturday, June 10, 2006 Community Potluck and kanikapila session. Additionally, HSS organizers and members, shared the honoring of Kamehameha I in the 37th Kamehameha Lei Draping Ceremony on Sunday, June 11, 2006 in the U.S. Capitol Building, Statuary Hall, Washington D.C.
The Office of Hawaiian Affairs sponsored reception in honor of Kamehameha I completed the weekend.

Ke Ali‘i Maka`ainana Hawaiian Civic Club members presented the official Resolution 13 – “Urging the U.S. Architect of the Capitol to relocate the statue of King Kamehameha I to a more prominent position in National Statuary Hall and ensure the dissemination of accurate historic information about King Kamehameha I” to Dr. Barbara Wolanin, Curator of the U.S. Capitol on behalf of Dr. Alan Hantman, U.S. Architect of the Capitol. Thanks to the positive efforts of the Royal Benevolent Society, and the annual Kamehameha I Lei Draping Ceremony by the Hawaii State Society, Ke Ali‘i Maka`ainana Hawaiian Civic Club’s partnership with the office of the U.S. Architect of the Capitol continues to grow. We look to 2007 for the relocating of the Kamehameha I statue in the U.S. Capitol Building and invite all to Come and Bless the site. E Komo Mai. Aloha.

CLUB ACTIVITIES AND ACHIEVEMENTS:
The LVHCC has enjoyed another exciting and memorable year. We extend our appreciation to the Association for offering a foundation for continued support and direction.

Our 2006 club goals have been a continuation of what we set forth in 2005: (1) establish and nurture strong leadership and teamwork, (2) increase club membership and active participation, (3) increase opportunities for cultural learning in the Las Vegas community, collaborate with other charitable organizations, (4) promote Lokahi (unity) within the community.

Though every event and activity has its reward, some of our most memorable moments this year include paddling along the California Coast in SCORA events and in the Queen Lili‘uokalani Race (18 miles), celebrating in the spirit of aloha at our 2nd annual ‘Ohana Day, sharing our culture with the Las Vegas community at our annual Ho`olaule`a (16th year), and when, in May, Mayor Oscar Goodman and the Council of the City of Las Vegas recognized the Las Vegas Hawaiian Civic Club with a Proclamation, as a “kick-off” to Asian Pacific Islander Heritage Month.

LVHCC is pleased to once again have partnered with the Ronald McDonaldhouse Charities to offer Educational Scholarships to four(4) recipients this year. In addition, LVHCC has awarded three(3) scholarships to Hawaiian students who applied to our Fall Semester LVHCC Scholarship Essay Program.

CLUB ACTIVITIES AND ACHIEVEMENTS:
During the first three months of this year, Na Keiki School Director Pauline Powell and the Na Keiki Dancers danced for Trinity Reformed Methodist Church and NKOH-HCC Board member Sheila Calaona led a Hawaiian Culture Day at Stellar Secondary School. Board members held elections and a few keiki attended Hale O Mahele, NKOH-HCC’s Hawaiian studies program. On March 23rd, NKOH-HCC welcomed its newest member, April Malulani Burcell, the daughter of Terry Ann Nakea and husband, Mark Burcell.

For the next month, the NKOH-HCC Board and members planned for Ho’olaule’a Alaska, a Multicultural Celebration chaired by Board Pu’uku Sheila Calaona and held on May 6, 2006 at the Anchorage Senior Activities Center. The event was a success. Participants enjoyed a luau and showcase of traditional entertainment with dancers from Ke Aloha Dance Company, the Alaska Native Heritage Center Dancers, Na Keiki Dancers and Lequinnum Gagoadim, a Tsimshian dance group. Bob Kini from the Big Island also played music with the Hawaiian Time Band.

In May, NKOH-HCC members crocheted kukui eyelash leis and the Na Keiki Dancers danced at the Eagle River Run for Life for the American Cancer Society. In June, NKOH-HCC held its annual Pikiniki and former Board and school director Carlene Bailey helped the Na Keiki Dancers to present a hula show at the Eklutna Pow-Wow.

On July 1st, NKOH-HCC welcomed Hawaiian ukulele artist Kimo Hussey and his group, Loea to Anchorage. Their trip was sponsored by the Pacific Music Foundation. NKOH-HCC invited Kimo and Loea members George K. Davis, Robert J. Hoopii, Greg Pelayre, Clarence K. Brown and Ivan J. Hoopii to a potluck and ukulele jam at Jewel Lake. About sixty local Hawaiian-Alaskans attended the jam. On July 3rd, NKOH-HCC and Kimo Hussey presented an ukulele workshop at the Anchorage Senior Activities Center. On July 4th, the Na Keiki Dancers danced at the Independence Day Celebration on the Delaney Park Strip while NKOH-HCC members sold kalua BBQ sandwiches, cotton candy, tropical juices and shave ice. On July 29th, the Na Keiki Dancers danced at the first annual World Carnival at the Anchorage Senior Activities Center. NKOH-HCC members sold cotton candy and Na Mea. Many NKOH-HCC members also fished down on the Kenai during July. The runs were slow and late. Members finally started catching their limit of red sockeye salmon towards the very end of July.

During the first week of August, NKOH-HCC Board members attended the First Annual Bridge Builders Ball and Awards. Bridge Builders honored the Hawaiian Time Band for providing music at countless community events over the years. Band members, Raymond Hose, Stuart Brooks Charlene Brooks, Dale Cabalbal, Larry Nakea and Bob Tumacder accepted the award. Band member Donald Reese was unable to attend.

On September 30th, NKOH-HCC members sponsored a Hawaiian Culture Day at the Anchorage Senior Activities Center. Anchorage kupuna and elders were surprised to meet Hawaiian recording artist Darlene Ahuna of Waimea, Hawai’i.

In October, NKOH-HCC presented Darlene Ahuna in Concert at the UAA Wendy Williamson Auditorium. Hawai’i Maoli partially provided the funds for Hawaiian Culture Day and concert. NKOH-HCC delegates also attended the AOHCC convention on Oahu. They studied the activities at the convention so that they could learn how to host the 2007 AOHCC convention in Anchorage.

**Aloha Lāhui: Love for a People**

In their lifetimes, these three ali`i of the Hawaiian Kingdom witnessed newcomers arriving on their shores, bringing changes that would nearly destroy their beloved people and their unique culture.

The ali`i endured the deaths of hundreds of thousands of their people — up to 90% of the population — most from foreign diseases. With hopes for a brighter future for Hawaiians, each of these ali`i placed their assets in perpetual trusts for the benefit of Native Hawaiians, specifically for education, care for the elderly, and support of orphaned and indigent children.

Today their legacies live on, helping to ensure the well-being of the Hawaiian people, whose spirit and culture is the foundation of our home, Hawai`i nei.

---

**Lydia Lili`u Loloku Walania Wevehi Kamaka`eha Pākī-Dominis Lili`uokalani**

**September 2, 1838–November 11, 1917**

Lili`uokalani began her reign as Hawai`i's last monarch in 1891. In 1893 she was deposed and imprisoned as the result of the unlawful overthrow of the Hawaiian kingdom.

In 1899, she established her Trust which directed that all her property be used "for the benefit of orphan and other destitute children in the Hawaiian Islands, the preference to be given to Hawaiian children of pure or part aboriginal blood." Since 1944, the service arm of the Queen Lili`uokalani Trust, now known as the Queen Lili`uokalani Children's Center, has provided social services to thousands of orphan and destitute children, their families, and communities statewide.

---

**William Charles Lunalilo**

**January 31, 1833–February 3, 1874**

Lunalilo was Hawai`i's first elected monarch, following the death of Lot Kamehameha V. His was the shortest reign of all Hawaiian monarchs, barely one year and twenty-five days. Nonetheless, Lunalilo was affectionately regarded by his people and was known as "the people's king," "the citizen king," and "ke ali`i kokomali`i" (the kind-hearted chief).

Upon his death in 1874, his will, the first of its kind created by a monarch, directed that his lands be used to establish a home for the "poor, destitute, and infirm people of Hawaiian blood or extraction, giving preference to old people." The first Lunalilo Home opened in 1883 on the slopes of Pūnana or Punchbowl Crater, the current site of Roosevelt High School. In 1927, the Home was moved to Hawai`i Kai where it continues to care for beloved, elderly kupuna.

**Bernice Pauahi Pākī Bishop**

**December 19, 1831–October 16, 1884**

Pauahi was the last descendant of the royal Kamehameha line. She attended the Chiefs' Children's School in Honolulu and in 1830 married Charles Reed Bishop, a young American businessman. Born a princess, Pauahi twice refused the offer to reign as queen, and instead led a life of service and support to her husband and her people. In her will, Pauahi directed that her estate be dedicated to the education of Hawaiian children through schools "to be known as, and called the Kamehameha Schools" in honor of her great-grandfather, Kamehameha I.

Today Kamehameha Schools serves over 9,000 students annually on three campuses, 28 preschools, charter schools, and community outreach and summer programs. In 2005, Kamehameha Schools awarded $13 million in preschool and post-high school scholarships.
